EUROPE'S LARGEST DISTRIBUTOR OF GOLF COURSE AND DRIVING RANGE EQUIPMENT

WWW.DUCHELL.COM

NEXT GENERATION GOLF

The idea of this catalogue is to make your life easier, bringing together a carefully-selected range of quality products to ensure you give your customer a great experience. It is big, because we know you appreciate a wide choice, so that whether you are looking to provide a first-class experience or are sensitive to providing the best value for money, we believe you should be able to find what you need. But don't hesitate to ask, we will be delighted to try and help you.

Many exciting things have happened at Duchell since our last catalogue. We now include the excellent Range King company products including the renowned Range Maxx line for premium driving range machines.

We have a new, purpose-built facility in the Netherlands. Our premises include state-of-the-art logistics with automated picking towers, brand experience showrooms, a suite of the latest simulators, and technological innovations that reflect our desire to provide you with cutting-edge technology alongside the traditional products that you have known for many years.

The group of which Duchell is an integral part is changing its name to Golfers World. This better reflects the sphere in which we operate as it encapsulates everything from players equipment in top brands to range automation and gamification, key areas for the expansion and retention of customers tomorrow.

We can help you build driving ranges and experience centres which cater not only for golfers, but also for people new to the game or looking for entertainment. We call it Next Generation Golf: helping you to engage the next generation of people playing the game we love so much in any shape or form.

Being excited about new developments does not mean we have forgotten what made us who we are. Our passion for delivering you the best driving range and course accessories in the market remains the core of our business. We will continue to strive to be the best one-stop shop for you, our valued customers.

We look forward to shaping the next generation of golf together.

Enjoy your reading!

SOFTSPIN RANGE BALL

DU210013	-	WHITE
DU210041	-	WHITE WITH LOGO
DU210014	-	YELLOW
DU210031	-	YELLOW WITH LOGO

- The softer material absorbs impact effectively.
- Improved grip provides enhanced spin control.
- Reduced ball flight - approximately 75% compared to standard 1-piece.
- Dimples: 392.
- Compression: 60.
- Packed per 300 balls in a box.

All balls can be printed, either rotary or on the pole of the ball. All Duchell's golf balls are imprinted during the process of manufacturing, before the finishing layer of lacquer. This enhances the durability of the imprint as opposed to golf balls imprinted after production.

- RANGE MATS -

IMAX RANGE MATS

Our range mats are crafted from high-quality nylon 6.6 or nylon 6, heat bonded to the base to ensure the best durability in the market.

- TEE GRASS -

TEE GRASS

Transform your golf course or practice facility with our premium synthetic tee grass, the perfect solution for golfers seeking the ultimate playing experience! Specifically designed to mimic the lush properties of natural grass, our tee grass offers a range of impressive benefits that will enhance your teeing areas.

Why Choose Our Tee Grass?

Natural Appearance: Crafted to look and feel just like real grass, our synthetic tee grass features a realistic texture that golfers will love. Say goodbye to dull and lifeless teeing areas!

Comfort for Golfers: Enjoy a playing surface that rivals natural grass. Our synthetic tee grass provides a comfortable experience, allowing golfers to focus on their game without distractions.

Unmatched Durability: Engineered to withstand heavy use, our synthetic tee grass can handle the wear and tear of daily play. No more worrying about quick deterioration—this turf is built to last!

Low Maintenance: While it requires minimal maintenance compared to natural grass, such as occasional surface cleaning and fiber checks, it allows you to keep your facilities looking pristine with ease.

GREENTEC TEE GRASS PRO

MX221233 - ROLL WITH LATEX BACKING (ROLL WIDTH 2 MTR, LENGHT MAX 25)

- 30 mm nylon pile non infill firm stance.
- Possibility to use regular tees.
- Easy to install.
- All year round perfect tee solution.

- TEE TURF -

TEE TURF

Are you ready to upgrade your golf course or practice facility?
Tee turf is the game-changing solution you've been searching for!

Why Choose Our Synthetic Tee turf?

Versatile Applications: Tee turf is not just for tee boxes! Its versatility makes it ideal for driving ranges and practice areas. Create a multi-functional space that meets all your golfing needs!

Consistent Performance: Tee turf provides a uniform surface every time. Golfers can expect consistent playability, no matter the conditions.

Unmatched Durability: Designed to withstand heavy traffic, tee turf is built tough. It resists wear and tear, ensuring your facilities stay in top condition throughout the season.

Minimal Maintenance: Tee turf requires far less upkeep than natural grass, allowing you to focus on providing an exceptional experience for your golfers without the hassle.

TEE TURF THE ALL IN ONE SOLUTION

DU22540 - 150 X 150 CM MAT

**DU22542 - PER M2 ON A ROLL WITH LATEX BACKING

- WALKING GRASS -

ENHANCE YOUR DRIVING RANGE EXPERIENCE WITH OUR PREMIUM WALKING GRASS

Designed to provide a comfortable and durable surface for both golfers and maintenance staff, our walking grass is the ideal solution for high-traffic areas.

Comfort and Safety: Reduces strain on feet and joints, ensuring a comfortable experience for golfers and staff.

High Durability: Made from high-quality materials to withstand heavy foot traffic and resist wear and tear.

Natural Look and Feel: Enhances the overall aesthetic of your driving range with a natural grass appearance.

Low Maintenance: Requires minimal effort to clean and maintain, keeping it in top condition.

All-Weather Endurance: Built to endure various weather conditions, maintaining its appearance and functionality year-round.

Multiple Uses: Ideal for walkways, around practice areas, and any other high-traffic zones within the driving range.

- Available in 6 colors.
- Pile Height: 15 mm for a comfortable walk
- Roll Size: 4.57 x 25 meters
- Coating: PU (Polyurethane)

- RANGE TARGETS -

ENHANCE YOUR RANGE PRACTICE EXPERIENCE WITH DURABLE RANGE TARGES

Our range target grass is designed to enhance your golf practice experience by providing a realistic and durable surface for target areas.

Realistic Practice Experience: Mimics the feel and performance of natural grass, allowing golfers to practice with confidence.

Premium Materials: Made to withstand heavy use and harsh weather conditions, ensuring longevity and minimal maintenance.

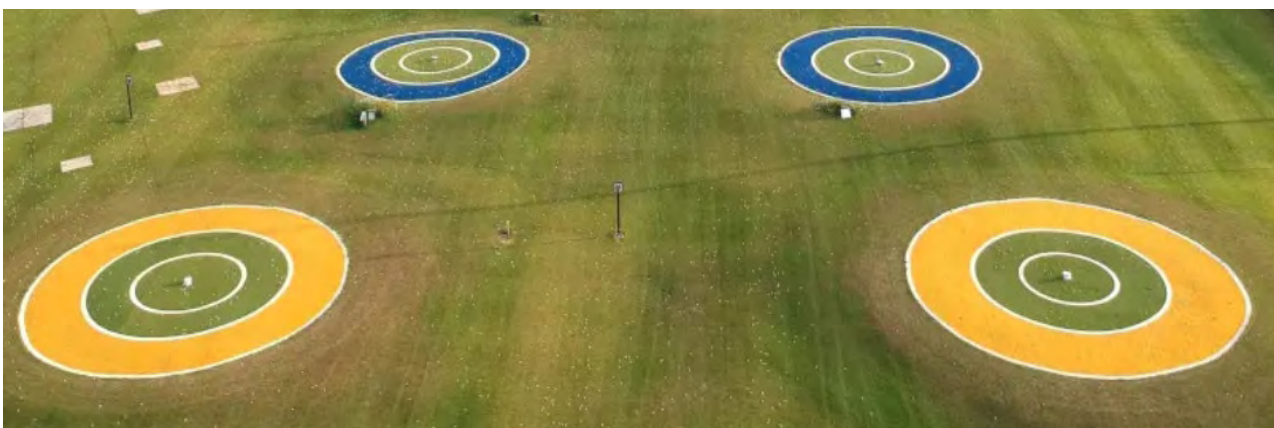

Multiple Applications: Suitable for driving ranges, practice areas, golf simulators, and target greens.

Color Options: Available in multiple colors to match your specific needs and preferences.

- Available IN 4 Colors: Olive, Verde, Blue, and White
- Filled with round-shaped, dried silica sand for stability and durability.
- Sand infill (not included) for increased shock absorbency on target greens.

ON THE RANGE

- PUTTING GRASS -

INDOOR GRASS

Our high-quality indoor putting grass is crafted to mimic the speed and consistency of natural greens. Practicing on an indoor putting green can help improve putting accuracy, muscle memory, and confidence. Plus, it's a fun way to keep up with the game in a limited space.

For those looking to make a permanent indoor putting area, custom installations are also available. These setups use durable synthetic grass and are often tailored to fit the exact size and shape of the room. A custom indoor putting green can even have multiple holes, allowing for more varied practice.

- PORTABLE PUTTING GREENS -

MASTER YOUR STROKE ANYWHERE: PORTABLE PUTTING GREENS COLLECTION

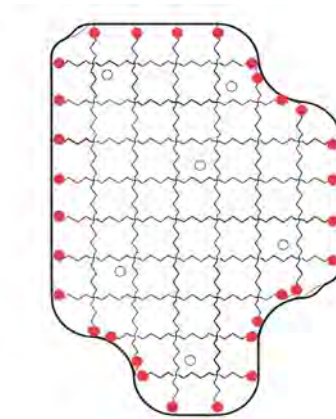

The perfect solution for golf enthusiasts looking to practice their putting skills anytime, anywhere. Designed with convenience and performance in mind, our portable putting greens replicate the feel and challenge of a real golf course, right in the comfort of your home, office, or backyard.

Whether you're a seasoned pro or a beginner, these high-quality, durable greens offer a realistic experience, allowing you to improve your accuracy and technique. Easy to set up and store, they are ideal for indoor or outdoor use.

Each Tour Links putting green is constructed using these individual components, allowing you to customize the shape and size of your practice facility according to your preferences.

This modular design also means that if any part gets damaged, it's easy to replace—simply purchase and swap out the necessary replacement parts. This flexibility ensures that your putting green remains in top condition and perfectly tailored to your needs.

COLOR COMBINATIONS

NEXT GENERATION GOLF

We understand that a full-scale radar or camera system isn't feasible for every golf course. That's why we're introducing the all-in-one **Plug & Play Simbay Kiosk**. With its built-in premium launch monitor, crystal-clear touchscreen and HD camera, the Simbay Kiosk provides an exceptional experience, offering ball, club and swing analysis. The stunning 4K gaming software brings the world's most beautiful golf courses and training facilities to life.

All game modes are available for online play, making it easy to set up exciting 'Simbay versus Simbay' matches, whether on the driving range or against an online opponent. Last but not least, the optional payment system simplifies things with a clear, time-based pricing structure.

DISCOVER MORE IN
OUR INTRODUCTION VIDEO.

OPTIONAL PAYMENT SYSTEM

By easily accepting all payment methods we encourage a Pay & Play approach. It highly improves the service level for the golfer and makes ROI calculations for the operator a lot easier.

HD CAMERA FOR SWING ANALYSIS

This innovative feature is truly unique and very helpful -yet sometimes confronting- for the golfer. Direct video feedback of the full golf swing including the ability to add advice of a golfpro will definitely improve the skill level.

PREMIUM LAUNCH MONITOR

The ultra high speed cameras generate 23 data points of club and ball data resulting in very accurate measurements. These figures are the basics for ultimate realistic gameplay and training purposes.

Don't miss out on the revolution in golf. Attract **new players**, boost **member loyalty** and create new **revenue opportunities**. Lower the barrier for newcomers, appeal to younger generations and break the stereotypes of golf. More than a machine: it's a vision for the **future of golf**, where technology, tradition, and interactivity meet.

Inrange is redefining success for off-course venues worldwide with unmatched accuracy and reliability through patented Alphawave® radar technology. Perfect for commercial ranges, new build golf and entertainment facilities, or indoor experiences, Inrange's cutting-edge, data-rich software creates engaging golf, social, and multi-bay player experiences that elevate your venue's success.

PRACTICE MODES

Our practice modes enable your players to follow their own practice routine, with precision radar tracking of every shot & cutting edge data analysis.

CHALLENGES

Our skills-based challenges keep players coming back, featuring individual range leaderboards that add pressure and fun to the golf experience.

COURSES

Whether it's a quick 9 over lunch break or a full 18 holes. Your players can tee off on some of the world's most famous courses.

WHAT INRANGE DOES FOR YOUR BUSINESS

> 80 %

Average revenue increase after installing Inrange.

50 %

Minimum expected ball volume increase.

8

Hours of play, per bay, per day is achieved at top performing ranges.

SOCIAL

INCREASED REVENUE | HIGHER FEMALE ENGAGEMENT | ADDITIONAL REVENUE FROM F&B

The most engaging and socially exciting multiplayer golf entertainment suite on the market. With a selection of world class courses and formats, players will love spending time on your range, battling it out for bragging rights.

MULTI-BAY

The world's first range technology to offer a bay link-up feature, allowing large groups to play in a bay vs bay team style event.

WHAT INRANGE+ TEAMS DOES FOR YOUR BUSINESS

3-4X

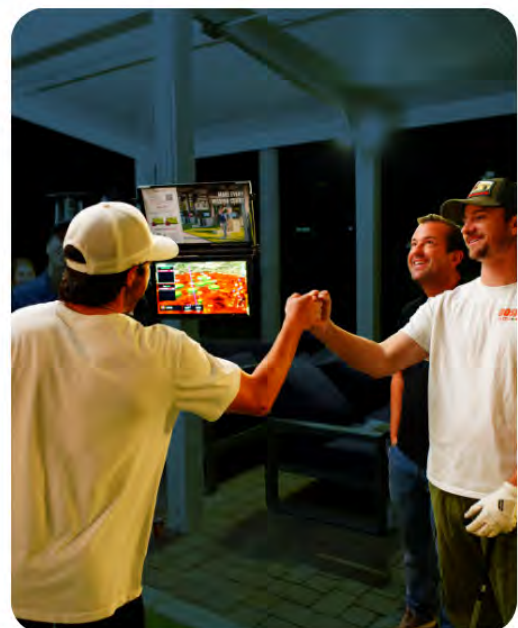

Higher revenue per session than standard practice price.

62 %

Of Inrange+ Teams players are first time golfers.

300+

Players can play in each Inrange+ Teams event.

- EXPLANAR TRAINING SYSTEM -

BUILD A MORE CONSISTENT AND POWERFULL GOLFSWING IN JUST 5 MINUTES A DAY!

THE EXPLANAR SWING TRAINING SYSTEM GROOVES THE FEELING OF A PERFECT GOLF SWING AND ENABLES YOU TO REPEAT IT... EVERY SINGLE TIME.

The Explanar is the best practice and teaching aid ever invented.

CLAUDE "BUTCH" HARMON, JR.
Golf Digest World No.1 coach

If you're serious about improving your game, you need an Explanar.

MARTIN HALL
Host of "School of Golf" on Golf Channel

The Explanar is a terrific learning tool for golf.

PETE COWEN
Europe's No.1 teacher and coach to Gary Woodland and Brooks Koepka

EXPLANAR SWING TRAINER

EX10010	-	EXPLANAR COMPLETE
EX10020	-	JUNIOR SYSTEM
EX10030	-	LONG ROLLER
EX10031	-	SHORT ROLLER

Who can use Explanar?

Any left or right handed golfer between 1.5m and 2m in height.

What's included?

Explanar Hoop, Plane Fin, Radial Stance Mat, long power roller (for driver to 5 iron swings), Plane Sensor, and a 75 minute instruction DVD.

Folded dimensions

2.4m x 1.5m x 0.6m. The wheels on the Explanar make it easy to move and store away.

Shipping Weight

44kg

Long Roller

The Explanar long power roller can be used to practice driver to 5-iron swings.

Short Roller

The Explanar short power roller can be used to practice 6-iron to sand wedge swings.

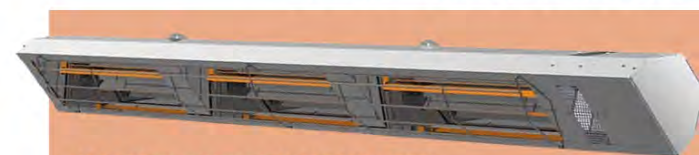

HEATING SOLUTIONS FOR YOUR DRIVING RANGE

Extend the season and enhance comfort on your driving range with our range of high-performance heaters. Specially designed for outdoor use, our heating solutions provide consistent warmth, allowing golfers to practice in any weather. Easy to install and adjust, these heaters are safe, energy-efficient, and ideal for creating a welcoming environment that keeps players coming back all year round. Discover the perfect solution to keep your driving range warm and inviting, no matter the season.

For more information or to discuss a custom heater plan, please contact us!

ON THE RANGE

IMAX ELECTRIC BAY HEATER

Introducing the remarkable Imax Electric bay heater, the embodiment of high efficiency in electric heaters. The patented SWAVE High Efficiency Electric Heating System boasts an unprecedented radiant efficiency that surpasses all others in the market, reaching an astounding 90%.

Key Features:

- ☞ Available in a variety of voltages, including 230VAC single phase, ranging from 2500W to 7500W. Additionally, the 7500W model can operate on 400VAC 3-phase power.
- ☞ This radiant heating system offers the highest radiant efficiency in the market at 90%
- ☞ The industry's lowest clearance to combustibles above the heater.
- ☞ No glare medium wave output.
- ☞ IP55 rated for outdoor or indoor use.
- ☞ Standard Marine Grade Aluminum finish, which provides solid corrosion resistance against marine saltwater and atmospheric conditions.
- ☞ Easy to use control options available.

IMAX GAS BAY HEATER

A modulating two-stage radiant tube heater combines modern design with energy saving for the hitting bay and dining areas.

Key Features:

- ☞ Available in Natural Gas (G20) or Propane (G31).
- ☞ Heat input: 27.50 kW or 14.40 kW (gross heat input)
- ☞ Power: 230V, 50 Hz.
- ☞ Pre-assembled with a stainless steel faceplate.
- ☞ Mounting enclosure included.

Warranty:

- ☞ Burner and controls: 3 years.
- ☞ Aluminized heat exchanger: 10 years.

Custom Control Panel:

- ☞ Pre-assembled with a stainless steel faceplate.
- ☞ Mounting enclosure included.
- ☞ Easy to use controls - 1 switch, 1 timer per heater
- ☞ One-hour resettable timer.
- ☞ Customizable for bay designations.

control panel for 2 units

- TARGETS -

SONIC TARGET

DU24210	-	TARGET COMPLETE
DU24212	-	WHEEL ONLY
DU24211	-	PROMOTIONAL STICKER

- For medium distance practice.
- The target has wheels for flexibility and can be moved to preferred distance or when mowing.
- Standard supply with "Hit me" sticker as shown.
- Makes a noise when the target is hit.
- Optional promotional sticker sold separately.
- Size Ø 100 cm.

TEE TARGET

DU24250	-	TARGET COMPLETE
DU24251	-	SET OF 6 YELLOW PADS

- Easy to assemble, easy to move.
- Sturdy Polyethylene frame.
- Weighted base for extra stability.
- Yellow accent pads can be added for extra visual impact.
- Size Ø 122 cm.

THE GOLF TARGET

DU24220	-	FRAME
DU24221	-	GRAPHIC SIGN - STANDARD
DU24222	-	GRAPHIC SIGN - CUSTOM

- The perfect aiming point to improve accuracy!
- High Impact shock resistant TPO plastic target.
- 3 different angles to use; flat, 40 and 45 degrees.
- Fully water resistant with a waterproof frame.
- 2 integrated frame ground spikes for windy conditions.
- Easy exchangeable graphics sign to promote any function.
- Order graphics sign separately.
- Size Ø 120 cm, logo size Ø 80 cm.

RANGE KING ROUND TARGET

1B605	-	Ø 180 CM
1B601	-	Ø 300 CM
1B602	-	Ø 395 CM

This target is heavy enough to stay in place and still easy to move for mowing or ball collecting.

- Frame made of sturdy galvanized steel.
- Highly visible tilted frame with green PE net.

- TARGETS & EASYMARK SYSTEM -

BULLS EYE TARGET

DU24150 - **COMPLETE TARGET**
DU24151 - **NET ONLY**

- For medium distance practice.
- Vertical positioning for attractive target practice.
- Size: Ø 150 cm.

RANGE KING SQUARE TARGET

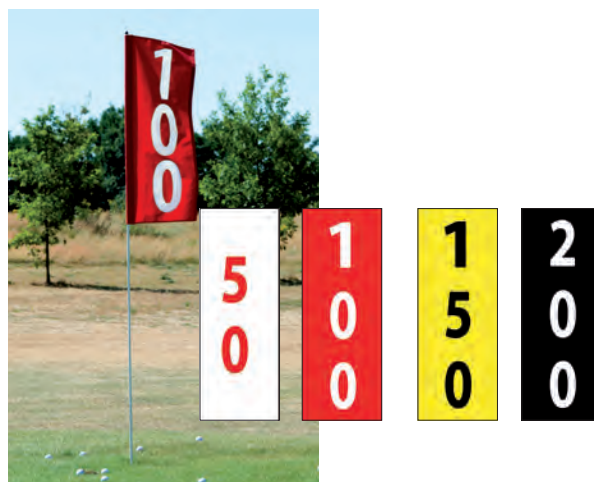

DU24301 - **COMPLETE TARGET**
DU24303 - **NET ONLY**
DU24304 - **FRAME ONLY**
DU24302 - **FRAME ATTACHMENT**

- For medium distance practice.
- Size 150 x 150 cm square.
- Sloped from 60 cm at the front to 90 cm at the back.
- Optional banner frame attachment.
- Optional banner.

RANGE FLAGS **PC20001**

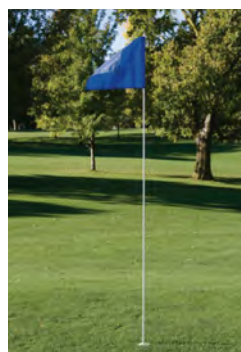

- Simple and clear – range flags that fit regular flagpoles
- Flag size (H) 100 cm x (W) 30 cm.
- Come in sets of 4: (White) 50 – (Red) 100 (Yellow) 150 / (Black) 200.
- Combine best with 244 cm flagpoles & winter hole cups for additional stability.

EASYMARK SYSTEM **SG37300**

EASYMARK II

- Put a flagstick anywhere without cutting a cup hole!
- EasyMark II can hold standard flagsticks.
- 22.8 cm long, 10.8 cm diameter.

- RANGE BANNERS -

GREENPOINT RANGE SIGN PS110CM

- Made from layered recycled plastic and fully customizable.
- Choose your preferred size, color, text, and logo.
- Tailored to match your golf course's unique branding and style.

COLOR COMBINATIONS

RANGE BANNER FRAME DU29071 - REGULAR DU29070 - FRAME XL

- Made of aluminum.
- Unbreakable construction.
- Complete with ground sockets.
- Frame size regular: (W) 120 x (H) 126 cm.
- Frame size XL: (W) 150 x (H) 150 cm.

CUSTOM BANNER DU29260 - REGULAR DU29261 - BANNER XL

- Present your sponsor on a highly visible range banner.
- Shot resistant material.
- Custom design to fit everybody's needs.
- Banner size regular: (W) 120 x (H) 63 cm
- Banner size XL: (W) 150 x (H) 100 cm.

SG09680	-	POLE	-	RED/WHITE

SG09791	-	ROUND ANCHOR
SG09790	-	SQUARE ANCHOR

- 8.9 cm diameter PVC.
- Consists of two 102 cm pieces, shipped separated for ease of shipping.
- Comes standard with cap.
- Optional Standard Golf Range Marking Pole Flags (sold separately).
- Ground anchor 31 cm sold separately.

LED LIGHTING FOR THE DRIVING RANGE!

PRACTICE DAY OR NIGHT WITH CRYSTAL-CLEAR LED VISIBILITY

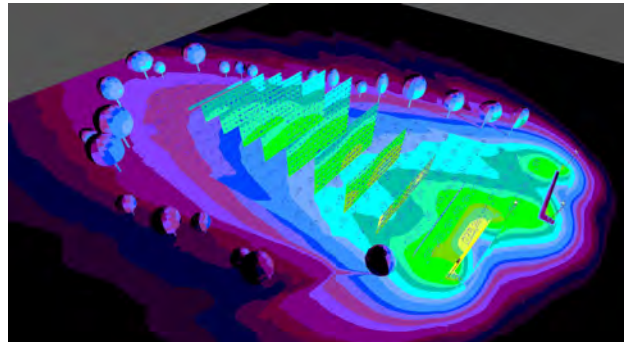

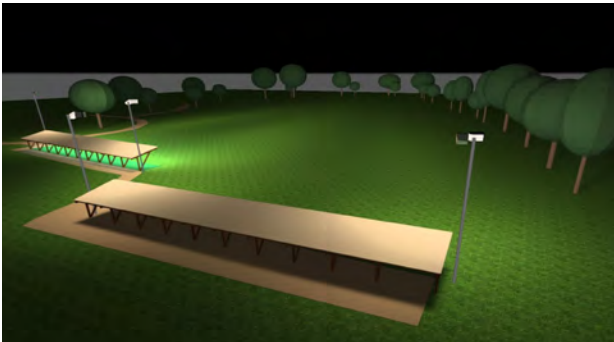

With 25 years of experience in illuminating driving ranges, we have developed a perfectly balanced selection of LED lamps that meet all the requirements of a driving range.

WHY LED LIGHTING IS PERFECT FOR YOUR DRIVING RANGE:

- Optimal visibility: Our Led lighting provides the perfect color, ensuring the best visibility of the golf ball.
- Balanced light distribution: Thanks to various lenses, our lamps deliver the precise light distribution needed for maximum visibility, even over long distances.
- Follow the ball all the way to the end: With our lighting, you can track the ball up to 400 meters.
- It's also ideal for putting and chipping greens.

LED LAMPS PRACTICAL BENEFITS:

- Lower energy consumption: up to 10 times less energy cost than conventional lamps.
- User-friendly: Easy to switch on and off (no cooling down time), letting you enjoy a bright, well-lit range.

We provide you with a special light plan that suits your wishes, the range and its surroundings.

IMAX LED LIGHTING

DULED200W	-	200 W
DULED400W-15	-	400 W - 15 DEGREES
DULED400W-45	-	400 W - 45 DEGREES

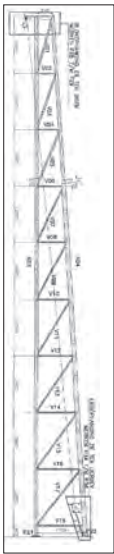

- PERIMETER NETTING -

DRIVING RANGE NETTING

Elevate your driving range experience with our premium range of IMAX netting solutions. Designed for various applications, our high-quality netting ensures safety, durability, and optimal performance.

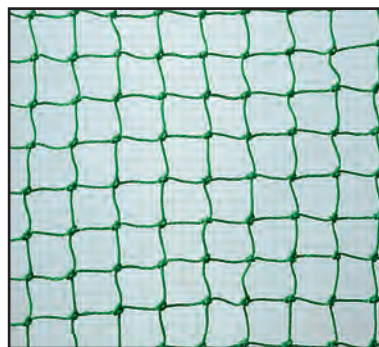

- High-quality netting: Durable materials suitable for different purposes.
- Expert guidance: Let our experts help you select the ideal netting for your specific needs.
- Complete construction: We offer comprehensive construction services upon request.

Variety of colours: Available in different colours to match your requirements.
For customized advice, please contact us!

**PE SIDE NETTING BLACK
DU24001**

- Perfect for side protection.
- Mesh size: 29 x 29 mm.
- Available per m2.

**PE HITTING NET GREEN
DU24002**

- Ideal for long-distance hitting.
- Mesh size: 27 x 27 mm.
- Available per m2.

**HEAVY NYLON NET WHITE
DU24004**

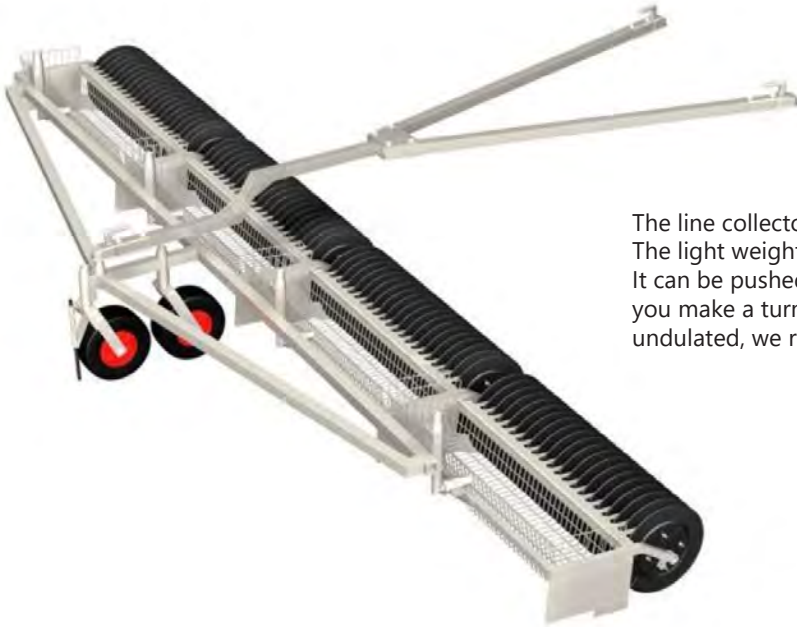

- Heavy duty net for cages.
- Mesh size: 27 x 27 mm.
- Available per m2.

ON THE RANGE

- BALL PICKERS -

RangeKing

RANGE KING LINE COLLECTORS

The line collectors from Range King have some great advantages. The light weight construction saves the grass on your driving range. It can be pushed by a light vehicle. It picks up all the balls, even when you make a turn. Available for flat surfaces only. If your range is too undulated, we recommend application of a Range King V-collector.

RANGE KING LINE COLLECTOR

RM1A311	-	STANDARD
RM1A311-FF	-	FORCEFLEXX

RANGE KING LINE COLLECTOR EXTENSION SET

RM1A311+	-	STANDARD
RM1A311+-FF	-	FORCEFLEXX

- Galvanised steel frame.
- 2 front wheels ensure smooth moving.
- Can be extended later up to 6 collecting units.
- Capacity: approx. 650 balls per collecting unit (2.600 balls in total).
- Width: 400 cm/ Weight: only approx. 100 kg.
- Baskets: made of galvanised steel.
- Discs: choose between Standard or ForceFlexx disc set assemblies.

RANGE KING LINE COLLECTOR MECHANICAL DUMP

RM1A311A	-	STANDARD
RM1A311A-FF	-	FORCEFLEXX

- Galvanised steel frame.
- 2 front wheels ensure smooth moving.
- Can be extended later up to 6 collecting units.
- Capacity: approx. 650 balls per collecting unit (2.600 balls in total).
- Width: 400 cm/ Weight: only approx. 130 kg.
- Baskets: Intergrated in the frame.
- Discs: choose between Standard or ForceFlexx disc set assemblies.

- BALL PICKERS -

RangeKing

RANGE KING V-COLLECTORS

The frame is made of thick galvanised tubes. All the moving parts have grease nipples for easy maintenance and long life span. All parts are independently trailed, this makes the Range King V-collector extremely fit even for heavily undulated areas; ForceFlexx discs: high impact molded polycarbonate 'unbreakable' material.

RANGE KING V-3 BALL COLLECTOR

RMCV3T - **STANDARD**
RMCV3T-FF - **FORCEFLEXX**

- Galvanised steel frame.
- Can be extended later up to 5 or 7 collecting units.
- Capacity: approx. 650 balls per collecting unit (1.950 balls in total).
- Width: 295 cm/ Weight: only approx. 125 kg.
- Baskets: made of galvanised steel.
- Discs: choose between Standard or ForceFlexx disc set assemblies.

RANGE KINGV- 3 TO 5 EXTENSION SET

RMACV5T - **STANDARD**
RMACV5TFFV - **FORCEFLEXX**

- Adding the V-5 extension to a new or old V-3 collector will extend the collecting width from 2.95 to 4.50 m.

BASKET TWIN FOR ALL RANGE KING COLLECTORS

RMPCA20T

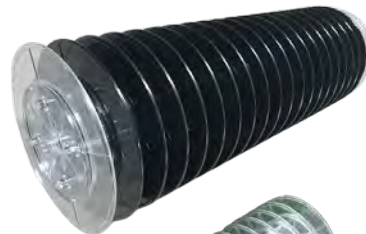

- Fully galvanized, strong and durable!
- 2 baskets per picking unit.
- Holds ± 350 balls.
- Dimensions: 48 x 23 x 21 cm.

RANGE KING DISC SET ASSEMBLY STANDARD

RMACA01

- Replacement for Range King line collector and V-collector.
- Pre-assembled set with 19 standard discs and 2 ForceFlexx reinforced end discs (with/without spacers).
- Includes threaded ends and nuts.
- ForceFlexx end discs protect standard inner discs.

RANGE KING DISC SET ASSEMBLY FORCEFLEXX

RMACA01-FF

- Heavy-duty disc set for Range King line collector and V-collector.
- Consists of 21 ForceFlexx heavy-duty discs.

Cloud Control application for 24/7 connection

DROP-PIT

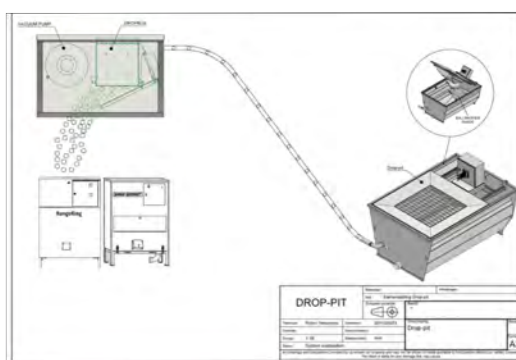

Setting the **standard for efficiency** and **revolutionizing** your **ball management** with **Drop-pit**. This **unique piece of engineering** is installed away from your building right at the **hotspot** of where most balls land. The **integrated ball washer** will assure the balls are **clean and ready** for further **transportation** towards your **ball storage**.

Choose your version

We offer two distinct versions to cater to your specific requirements:

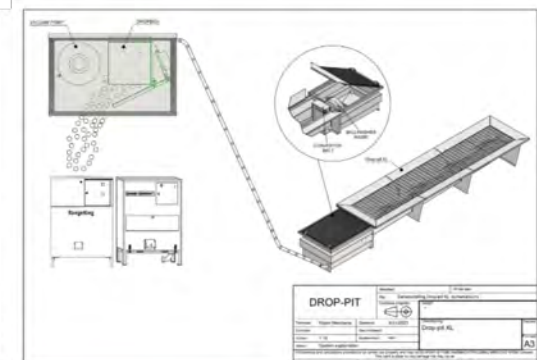

DROP-PIT

Designed for robot use.

DROP-PIT XL

Compatible with pickers and robots.

DROP-PIT XL

The drop pit is **placed in the field**, allowing the (robot) harvester to unload without having to drive back to the building, making the process **highly efficient!**

See how it works?
Scan the QR-code

INTEGRATED BALL WASHER

01.

The integrated ball washer ensures that golf balls are clean during transportation.

TUBE AND CABLES

02.

Underground vacuum transportation system through a special, durable drop-pit hose, delivering the balls back to any location you want.

COMPLETE SUPPORT

03.

We provide full support during the installation process, including a pre-visit to assess and determine the most suitable solution for your needs.

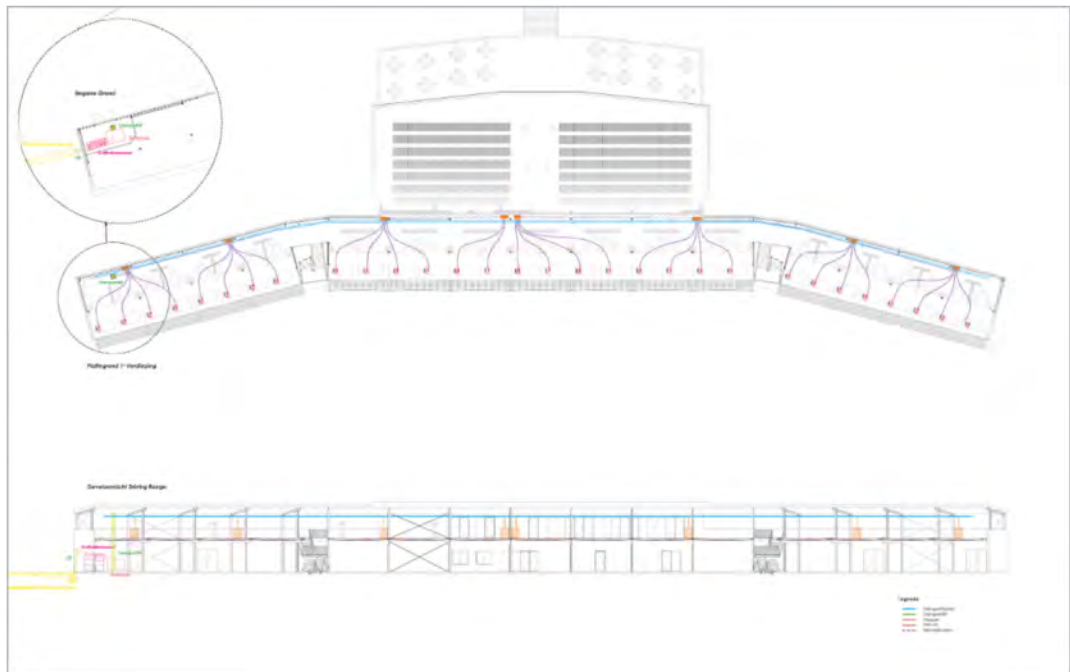

ON THE RANGE

AUTOMATED TRANSPORT SYSTEMS

AUTOMATED TRANSPORT SYSTEMS

The growing demand within the interactive 'competitive socializing' driving range space makes the constant availability of clean golf balls at all bays more and more important. For obvious reasons, this goal is ideally to be reached with as little manual labor as possible.

With our proven global track record in driving range automation solutions Duchell is the perfect consultative and executive partner from preliminary design to project completion.

See how it works?
Scan the QR-code

ON THE RANGE

CLEANING SYSTEM

01.

The golf balls start in the cleaning area (bottom right of the image) where they are washed and transported into a storage hopper

VERTICAL ELEVATOR

02.

An elevator take the clean balls from the storage hopper to the highest point of the building and delivers the balls onto the horizontal conveyor belt

HORIZONTAL CONVEYOR BELT

03.

The balls travel via a slightly tilted belt to the required dropping points

DROP MECHANISM

04.

The balls drop down via gravity through chutes or tubes to any desired station, from a hopper to a dispenser or tee-up system

We believe in delivering balls directly to the bay using a tee-box or auto tee-up system. Our innovative solutions use gravity to transport cleaned balls from the highest point to any dispenser, hopper, or tee-box. With our experience, we can find the ideal solution for any situation. Contact us early in your planning for the best results in execution.

AUTOMATED TEE-UP SYSTEMS

AUTOMATED TEE-UP

Our **fully automated range systems** come with **versatile features**, including **automated individual** tee-up per bay. One of the **standout characteristics** is the **soundless transportation** of golf balls on **conveyor belts**. This means golfers can **practice their swing without any disturbances** while receiving balls in **high tempo**.

SERVICE AND EXPERIENCE

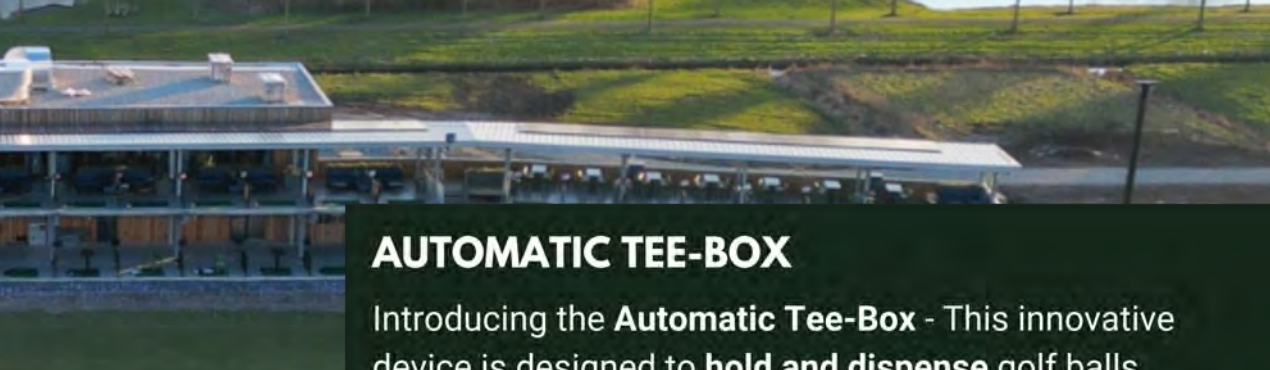

Offer your guests the ultimate service and experience by delivering balls individually at the bay and create a wow factor!

CONNECTABLE DISPENSING BAY-UNITS

The ball dispensing bay-units can be linked to several external systems (like Inrange) allowing full control over bay reservations and ball dispatch.

DISPLAY & ADJUSTABLE TEE HEIGHT

Time and ball quantity are displayed at each bay and the personal tee height can be adjusted.

AUTOMATIC TEE-BOX

Introducing the **Automatic Tee-Box** - This innovative device is designed to **hold and dispense** golf balls **automatically**, ensuring you never have to worry about manually placing a ball on your mat again. The front of the box is also **customizable** to your wishes.

See how it works?
Scan the QR-code

ON THE RANGE

EASY TOP-FILL SYSTEM

01.

The Automatic Tee-Box is designed with a large lid, allowing you to easily fill the machine with golf balls from the top.

MOTION SENSOR

02.

Once filled, the system uses a built-in motion sensor, automatically dispensing a ball onto the mat.

DISPLAY SCREEN

03.

The Automatic Tee-Box is equipped with a convenient display screen that shows information like the number of balls you've hit or the minutes you have left to play.

RangeKing

A LEGACY OF EXCELLENCE SINCE 1968

Range King began as a company dedicated to providing technical support to golf ranges. Over the decades, it evolved into a trusted manufacturer of premium driving range equipment, launching the renowned Range MAXX line.

A NEW CHAPTER WITH DUCHELL

In 2021, Range King joined forces with Duchell, combining decades of expertise to deliver even greater value to their customers. This partnership has strengthened the ability to serve golf ranges worldwide while staying true to the high standards that have defined them from the start.

PROUDLY MANUFACTURING RANGE KING MACHINES

Duchell is proud to produce Range MAXX machines under the Range King brand. Assembled in-house with precision, these machines can be customized to meet your specific needs, ensuring the perfect solution for your driving range. Our focus on quality craftsmanship and tailored service reflects our ongoing mission: to provide products that exceed expectations and support the success of our customers.

With Range King, you can trust in a legacy of innovation, dedication, and performance. Together we are shaping the future of driving range excellence.

RANGE KING COMMERCIAL WASHER
RM1A340B-230 - **230V**
RM1A340B-380 - **380V**

(hopper as pictured not included)

The Range King commercial washer cleans the balls like it should:

- Quickly: approx. 24.000 pieces per hour (230 Volt operation).
- Autonomous: after putting the balls in the hopper, it will wash all the balls without any help.
- Perfectly clean: the balls are poored with water whilst they are constantly rubbed by a nylon brush.

It has a sturdy galvanised exterior, which will last for many years. The balls are transported through a heavy-duty nylon brush by a rotating rubber plate.

TWISTER BALL WASHER 1 MX55100

- Heavy duty nylon brush rotates inside the patented steel spiral.
- Small rocks and ball fragments fall through the spiral, reducing jamming or lock ups.
- Easy access to water tank and open spiral with hinged top.
- Electrical supply disconnects when accessing the turning parts.
- Fast and easy cleaning of the tank by using a large threaded drain.
- Top holds 600 balls.
- Washing capacity of 15.000 balls per hour.
- Size: 85 x 49 x 78 cm.

Hinged lid for easy access.

The rotating brush moves the balls through the spiral.

THE PRE-SOAKER 4000 RSWIM0004

- Loosens mud, dirt or grass caked on the golf balls.
- 300 Litre tank holds 4.000 balls.
- Elevator with adjustable speed to match speed of any ball washer (ball washer not included).
- Sits on lockable castor wheels for easy moving for cleaning and maintenance.
- Safe 90 cm load height.
- Lift out components for easy cleaning.

RangeKing

RANGE KING ELEVATORS AND STORAGE HOPPERS

Range King elevators are available in 3 different heights and with 3 different storage hoppers.

The Range King medium elevator fits exactly behind the twin large dispensers and the large plus dispenser with inclining lid. For special purposes like ditches, we manufacture the Range King elevator large with a length of 2.30 meters. If that is not large enough, we even supply the Range King extra large elevator with a length of 3.00 metres.

It is available with different hopper versions and dimensions, please order it separately. Please make sure that the elevator will be attached to the dispenser, the hopper is hanging and does not support the elevator.

RANGE KING TURBO BLOWING UNIT

RM1A307	-	TURBO BLOWING UNIT
RM1A304	-	CONTROL UNIT BASIC
RM1A308-50	-	HOSE Ø50 MM

The Range King turbo blowing unit is the essential part of the Range King turbo blowing system. This is where the airstream is generated and where the range balls are pushed into this airstream. One unit can blow the balls over a maximum horizontal distance of 250 metres and 15 vertical metres.

Please contact for possible configurations based on your specific situation.

RANGE SERVANT BLOWERS

RS800020	-	BLOWER MODULE 2,2KW
RS800030	-	BLOWER MODULE 3,0KW

Blower system, using compressed air and flexible hoses, feeds balls from the hopper in the remote washing/storage area to receiving units.

Additionally, Range Servant supplies a manifold system to accommodate multiple receiving units.

ON THE RANGE

- FLAT TOP BALL DISPENSERS -

RangeKing

RANGE KING DISPENSERS - FLAT TOP

Range King golf ball dispensers are all equipped with the unique, reliable, and sturdy dispensing mechanism. The mechanism is quick and accurate: it dispenses in only one single movement an exact even quantity between 12 and 24 balls. This action takes less than 3 seconds!

- Dispensing of the balls with the unique Range King dispensing mechanisms.
- Large storage capacity compared to compact dimensions.
- Integrated light-duty washing installation.
- Flat lid with hydraulic springs for manual filling either at the front or the backside.
- Cycle counter included.
- Solid steel exterior, galvanized and powder coated.
- Stainless steel lock cams prevent burglary.
- Adjustable set feet.
- Holes on every side indicate the level of balls.
- Large front doors enable integration of many different payment systems (order separately).

TECHNICAL DETAILS:

- Dispensing cycle: 2-3 seconds.
- Dispensing quantities per cycle: 1 row: 6,7,8,9,10, 11 or 12 balls
2 rows (standard): 12,14,16,18,20,22 or 24 balls.
- Adjustable quantity of 1-4 cycles per payment.
- Power: 230 VAC/ power consumption: 5-200 W.
- Water inlet: 1/2" (garden hose dimension).
- Water drain: 40 mm.
- Standard colour: RAL7015 grey.

RANGE KING DISPENSING MECHANISM

- One simple movement lifts the balls from the grid.
- Dispenses up to 24 balls per drop in only 3 seconds.
- Known for its 'non jam' system assuring great accuracy and reliability.
- Includes an integrated light-duty washing option.

- FLAT TOP BALL DISPENSERS -

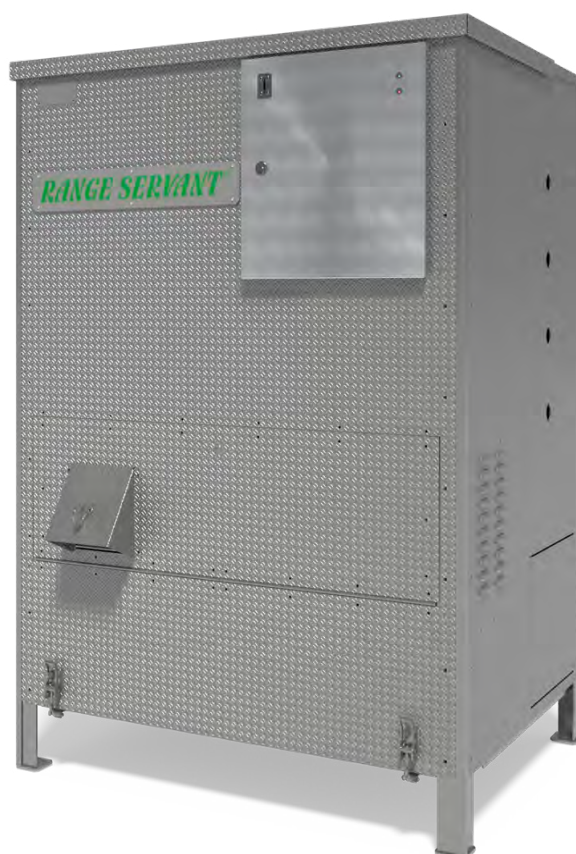

RANGE SERVANT®

RANGE SERVANT - FLAT TOP BALL DISPENSERS

Range Servant golf ball dispensers are reliable machines, constructed from durable aluminum and stainless galvanized steel to ensure longevity without cracking, peeling, or rusting. Range Servant's original grid and cradle system with integrated light washing operation dispenses 9-17 balls per drop, whereas the Ultima system can be set to dispense any amount of balls (up to 999) per pulse, giving you the ultimate flexibility on the amount of balls dispensed at any time of the day to any type of customer.

Machines made only of galvanised steel and aluminum.

- Available with different payment systems.
- Easy to clean and maintain.
- To be filled either manually or by elevator.
- Motor: Ultima version 17 Watt.
- Voltage: 230V, 50Hz.
- Ultima to be used in combination with a ball washing system.

ON THE RANGE

- LOCKERS -

GUARD BOX

Ready-to-use pre-assembled steel-plated lockers
(just unpack and put in place)

GuardBox lockers are completely made of high-quality zinc-coated steel with powder coating finish ensuring long-term resistance to chemical or mechanical damage. GuardBox lockers can be stacked on top of each other.

ADVANTAGES

- Extremely robust and durable.
- Prevents pests getting inside.
- The lay-out can easily be changed.

INCLUDED FEATURES

- High quality cylindric locks.
- Shelf for shoes or charger.
- Basket for small items.
- Levelling feet.
- High-quality durable hinges.

DIMENSION OPTIONS

Standard: 550 mm wide x 550 mm deep x 1250 mm high
Large: 8250 mm wide x 550 mm deep x 1250 mm high
X-Large: 8250 mm wide x 1100 mm deep x 1250 mm high

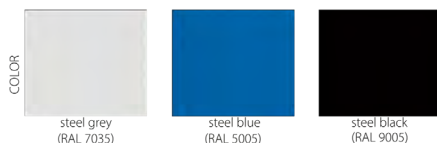

FINISHING OPTIONS

- Standard powder coating colour RAL7035 steel grey, RAL505 steel blue or RAL9005 black.
- Other colours on request.

FRONT DOOR OPTIONS

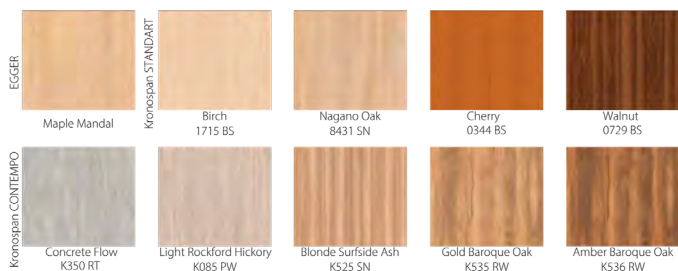

STEEL-PLATED

- Strong reinforced frame.
- Powder coated grey, blue or black.
- Perforations for optimal ventilation.
- Oriented left or right.

LAMINATED CHIPBOARD

Strong: 36 mm thick with a 2 mm ABS edge
Esthetics: wide range of colors available
Oriented left or right

CADDY BOX

Modular assembly system

(lockers are supplied as parts for local assembly)

ADVANTAGES

- Compact transport (cost-efficient).
- Minimal materials used (cost-efficient).
- Optimal ventilation with wire mesh.

DIMENSION OPTIONS

Any required dimension or combinations of dimensions can be realized.

Most used dimensions are:

Height: 120 cm

Depth: 60 or 80 cm

Width: 40, 60 or 80 cm

EXTRA OPTIONS

- Padlocks for wire mesh doors.
- Lift system for upper lockers (only for new installations).
- Hanging shelf.
- Number plates.

FINISHING OPTIONS

- Powder coating.
- Standard RAL9006 Silver grey or RAL9003 white.
- Other colours on request.

FRONT DOOR OPTIONS

WIRE MESH

- Prepared for padlocks.
- Inner sides: wire mesh.
- Outer sides: wire mesh.

STEEL-PLATED

- Including camlocks and 2 keys.
- Inner sides: wire mesh.
- Outer sides: wire mesh or steel-plated.

Course Guides

Premium course guides from Clere Golf, crafted to enrich your players' experience on every hole. These detailed guides not only enhance navigation but also offer valuable insights into course layout and strategy, helping golfers make the most of each round.

Using state-of-the-art survey techniques, Clere Golf gather detailed data to develop innovative products that elevate the player's experience on the course. The stunning course guides not only enhance gameplay but also creatively market your venue.

Additionally, Clere Golf offers unique software solutions that enable highly efficient course management.

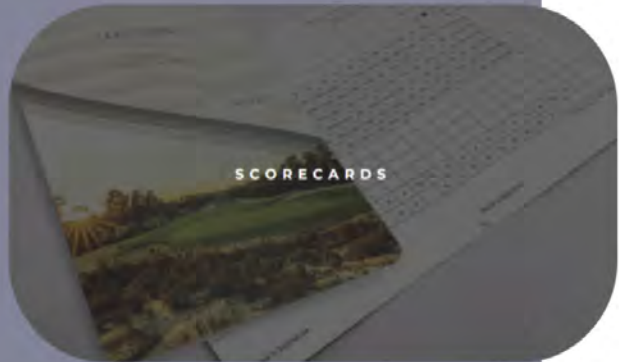

Visually, perhaps the most memorable hole, played from an elevated tee to a fairway lined with trees and heather, and shaped from left to right. The reward for the biggest hitters successfully challenging the fairway bunkers is additional run that leaves a medium iron to the green, but there is considerable risk from both the bunkers and heather. The view of the hole from the Half Way Hut is something to treasure.

Score cards

High-quality scorecards from Clere Golf, designed to streamline play and support efficient course management. Our scorecards provide clear and practical layouts, ensuring players can easily track their scores and enjoy a smooth, well-organized golfing experience.

Every year, Clere Golf produce tens of millions of high-quality scorecards for golfclubs and resorts world wide. Clere Golfs vast experience ensures that the scorecards perfectly complement your brand. Clere Golf offers a wide range of styles and sizes, including specialist finishes and anti 'pocket-snag' conering to suit your needs.

Please contact us for more information about course guides or score cards.

- BALL WASHERS -

THE PAR AIDE BALL WASHER

No matter which Par Aide model you choose, your decision won't be challenged. A Par Aide ball washer says golf. It says you care about quality. It tells golfers this superintendent is conscious of all the details that make a course enjoyable to play.

- Hand assembled from the highest-quality materials.
- Powder-coated cast aluminum body and cover, stainless steel hardware, nylon bristles set in rubber for durability.
- Patented helical agitator assures thorough cleaning and dependability.
- Improved integrity of powder coating because of a new pre-treatment process and the use of foam rubber gaskets between cover and body.

DELUXE BALL WASHER

PA203-01	-	PAR AIDE RED
PA203-02	-	HUNTER GREEN
PA203-00	-	BLACK
PA203-99	-	OTHER COLOURS, PLEASE SPECIFY

The most popular model. Drain plug located in front for easy cleaning and flushing. Patented internal overflow sends excess liquid down the inside of the pipe stand.

- Capacity: 3,3 litres.
- Weight: 4,5 kg.

MASTER BALL WASHER

PA203-01	-	PAR AIDE RED
PA203-02	-	HUNTER GREEN
PA203-00	-	BLACK
PA203-99	-	OTHER COLOURS, PLEASE SPECIFY

The classic, original design ensures reliability.

- Easy to maintain and update.
- Eliminates leakage with tamper-resistant drain plug and gasket.
- Unlimited color options.
- Capacity: 2,4 litres.
- Weight: 4,0 kg.

- BALL WASHERS -

STANDARD GOLF CLASSIC BALL WASHER

SG01370	-	BLACK
SG01350	-	GREEN
SG01325	-	RED
SG01300	-	YELLOW

Wash up to four balls at once in this Standard Golf, affordable priced Classic ball washer. Built rugged inside and out, it will look good and perform well for many years.

- Fast, no-splash crank operation.
- Overflow tube prevents leaks and soap built-up.
- Weight: 2,7 kg.

Installation:

- Order as part of a complete tee console with Tripod stand and Litter Caddy.
- Attach to a mounting pipe for in-ground installation.

STANDARD GOLF MEDALIST BALL WASHER

SG01570	-	BLACK
SG01550	-	GREEN
SG01525	-	RED

THE MEDALIST The Medalist is economical, easy to use and maintain and it will be a favourite with your players too. It will last for years and still look great.

- 2,4 litres washer fluid capacity.
- Mounts inside post.

STANDARD GOLF PREMIER BALL WASHER WITH DECAL

SG01460	-	BLACK
SG01440	-	GREEN
SG01420	-	RED

- To allow for more course and club branding, the embossed "Standard Golf" name has been removed and replaced with a domed resin decal.
- Ships standard with Standard Golf logo dome.
- The simple design and functionality of the ball washer has not changed.

WE CAN REPLACE THE STANDARD GOLF DOME WITH A CUSTOMIZED DOME OF YOUR CHOICE, FOR EXAMPLE, FEATURING THE CLUB'S LOGO OR A SPONSOR! ASK ABOUT THE POSSIBILITIES!

- BALL WASHER ENSEMBLES -

CUSTOMIZE YOUR PERFECT ENSEMBLE: EASY ORDERING WITH MIX-AND-MATCH OPTIONS

These are a few of the ensembles created to make ordering easy for you. With all of these options, you can place your ensemble design where it's most needed. You may opt to put an ensemble with a club washer on the tee, for instance, or one with a Trash Mate double unit. Just start with the combination you like and pick a colour. If you don't see the combination you are looking for, simply mix and match by choosing the individual items that best fit your situation.

Towels not included on models, can be purchased separately

ARTWORK & DESIGN SERVICE

If you already have a design, simply provide us with the artwork, and we'll handle the rest. If you need assistance with the design, our expert team is here to help.

We can create a design based on your vision, which you can review and approve before we begin production.

CUSTOM EMBROIDERED HOLE FLAGS

HIGH-QUALITY EMBROIDERY:

Our flags feature intricate, high-quality embroidery that stands out with vibrant colors and detailed designs. This craftsmanship ensures that your logo or message is beautifully displayed.

CUSTOM DESIGNS:

Whether you have a specific design in mind or need assistance in creating one, our team is here to help. We collaborate with you to bring your vision to life, ensuring the final product meets your expectations.

CUSTOM JUNIOR FLAGS

We offer all the same custom printing and embroidery options for our junior flags as we do for our standard flags. This means you can enjoy the same high-quality designs and vibrant colors tailored to your specifications.

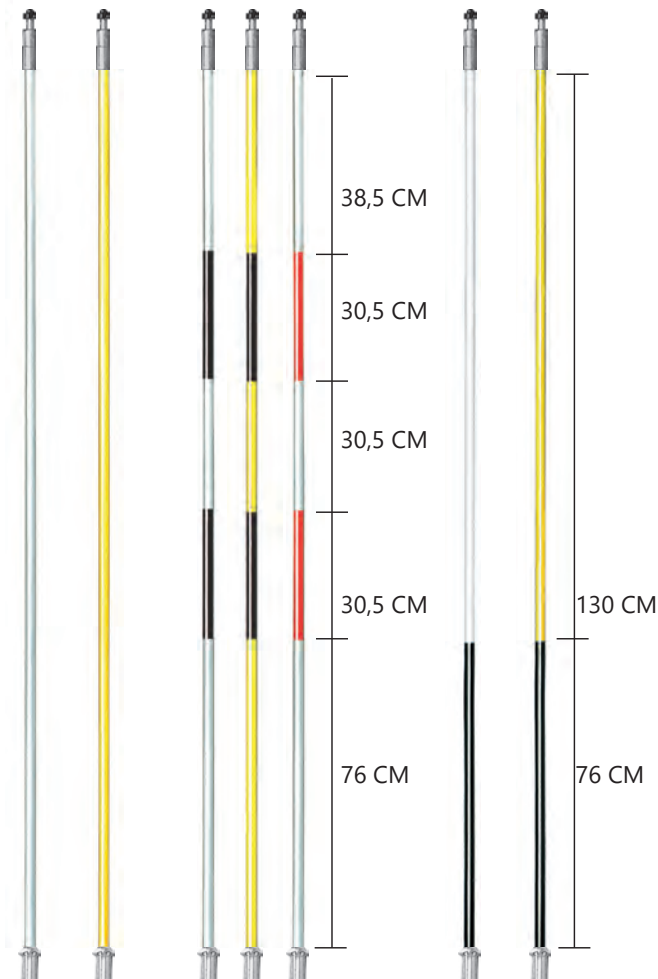

JUNIOR FLAGS

Junior flags are available in three options: printed on white polyester, fully custom nylon, or embroidered designs. These flags feature sublimation printing for vibrant, durable colors with UV and waterproof finishes, quadruple-edge stitching for extended lifespan, and optional single or double-sided printing.

Let Duchell help elevate your course with our professional grade custom flags tailored to your needs.

Tournament flagsticks feature extra heft in the centre for remarkable strength, visibillity and wind resistance.
Order with British stripe for added visibility.

- Size: 2,29 mtr tall.
- 1,3 cm diameter at the tip an ferrule, 1,9 cm diameter at the middle.

SMART-FIT FERRULE SG26512

- Comes on all Standard Golf flagsticks.
- Notched ferrule, flagsticks fall right in place everytime.
- Sturdy, gusset-reinforced fibs allow dirt and sand to freely sift trough the cup to eliminate sticking.

EASYMARK II SG37300

Put a flagstick anywhere without cutting a cup hole! EasyMark II can hold 1" ferruled flagsticks. Tap-in anchor makes it easy to set up flags for special events or on the range.

ON THE COURSE

- WOODEN FLAGSTICKS -

PERENNIAL TOURNAMENT FLAGSTICK WOOD DU37066 - 2.13-MTR

Elegant Accessory for your Green

If you are searching for the most exclusive flagstick available, you have just found the right source. Our wooden tournament flagstick is an elegant combination of first grade wood and brass.

- Centre piece made of ash wood with a laquered finish.
- Bottom and top made of black fiberglass.
- The joints between the wood and fiberglass is adorned with brass collars, completing the look.
- With proper care and service, they withstand any golf environment.
- Any Pattisson, Par Aide or Standard Golf ferrule fits the fiberglass rod.

PRACTICE GREEN MARKER WOOD DU37062

- Hand crafted, and give years of service with proper care.
- Hardwood sticks, specially cured and finished to withstand any golf environment.
- Shown is a flagstick with a golden brown stain, protected with a clear acrylic topcoat.
- Wood section is 3 cm in the middle and tapers to both brass connectors.

WOODEN PRACTICE GREEN MARKER PA9120 - WOODEN PRACTICE GREEN MARKER PA9098-9 - OPTIONAL WOODEN KNOB (SET OF 9)

Attract more golfers to the practice green with the handsome Natural Wood Practice Green Markers. Not only do they improve the look of the practice green, these markers complement the classic look of golf.

- Made of extremely strong Brazilian hardwood.
- Flagstick is 86 cm tall for the golfers convenience.
- Finished with natural teak oil.
- To restore luster, re-apply teak oil periodically.

- MEASURING SYSTEMS -

PATTISSON RANGE PAL REFLECTORS

The Range Pal Reflector is the perfect, inexpensive and simple solution for accurate distance measurements!

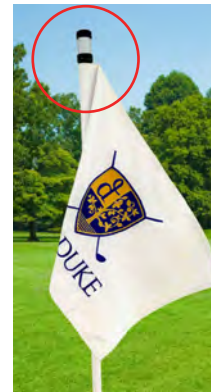

This nifty little cylinder just slides over the flagpole and provides a reliable target, it has a large circular and highly reflective surface which reflects back to the laser rangefinder giving the correct distance to the hole. No more problems with other background objects confusing the rangefinder and for a reasonable price you can provide members and guests with a handy tool on the golf course.

RP2850	-	REFLECTOR 1,91 CM 1 PIECE
RP2849	-	REFLECTOR 1,91 CM SET OF 9
RP2848	-	REFLECTOR 1,3 CM 1 PIECE
RP2847	-	REFLECTOR 1,3 CM SET OF 9

REFLECTOR TOP SCREW RP-DST

Compact screw-on reflector: A shorter reflector designed to twist directly onto the flagstick, offering a sleek and durable solution.

QUICK RELEASE REFLECTOR RP2942

Extended top-mounted reflector: A longer reflector that slides securely over the top of the flagstick for maximum visibility.

This option are designed for optimal performance and easy installation. Perfect for improving precision and visibility during play.

STANDARD GOLF LASER REFLECTOR SG26600

Screws easily onto the tip of existing flagsticks in place of the acorn nut. Five prism reflectors are oriented to provide 360° reflectivity. Molded from DuPont Zytel ST-801 nylon for the ultimate in durability and virtually invisible to everything other than lasers. Make sure to use anti-seize lubricant before installing on your flagsticks.

- PUTTING CUPS -

PATISSON ALUMINUM PRO HOLE CUP CA29420

Nothing looks worse than a flagstick leaning to one side. This happens when the cup and ferrule get worn out due to windy conditions together with dirt, sand and grit that get in between the ferrule and cup. Often the flagstick gets stuck when golfers try to remove the flagstick from the hole.

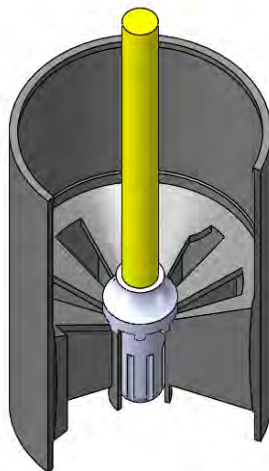

WE HAVE THE SOLUTION!

With the Pattisson Pro Cup and the Pattisson ferrule the flagstick will always click into place, meaning that the flagstick cannot turn around in the cup. Also the grooved ferrule makes sure that the dirt and sand pass through the cup leaving the cup and ferrule clean.

No more sticking and flagsticks standing perfectly straight, as they should!

The bright white sleeve can be placed inside the aluminum cup to create a white hole cup, that has the traditional sound of an aluminum cup but without chipped paint. When the white sleeve gets dirty, just replace them.

Or why not personalise the cup with your logo? The ferrule also has the same effect in combination with the Pattisson plastic cup. Packed per 9 carton.

SLEEVE PATISSON PRO CUP

CA29424 - (SET OF 18)

CA29425 - LOGO SLEEVE PATISSON PRO CUP

CA29426 - SET UP CHARGE - MINIMUM QUANTITY LOGO SLEEVES: 9 PCS.

- Easy to set and fit and gives the cup a clean white look.
- Can be printed with logo (not a sticker that gets dirty).
- Set of 18.

- PUTTING CUPS -

PATTISSON PRO HOLE CUP CA29320

- Brilliant white.
- Made of rugged engineered grade polymers for resistance to chemicals.
- Easy to set and fit.
- Pattisson pro flagsticks fits perfectly.
- Flagsticks do not lean or turn in cup.
- Size: 15 x 10,8 cm.
- Packed 10 per carton.

PATTISSON PRACTICE GREEN HOLE CUP CA29211

- Brilliant white.
- Made of rugged engineered grade polymers for resistance to chemicals.
- Tapered sides allow easy removal from the hole.
- Size: 10 x 10,8 cm.
- Packed: 9 per carton.

PATTISSON PLASTIC HOLE CUP CA29311

- Brilliant white.
- Made of rugged engineered grade polymers for resistance to chemicals.
- Tapered sides allow easy removal from the hole.
- Size: 15 x 10,8 cm.
- Packed: 9 per carton.

PATTISSON ALUMINUM HOLE CUP CA29414

- Easy to set and fit.
- Constructed of high grade aluminum.
- Stark white powder coated finish for better visibility.
- Corrosion resistant.
- Virtually unbreakable.
- Size: 15 x 10,8 cm.
- Packed: 9 per carton.

- PUTTING CUPS -

Four distinctive styles, each with the hallmark of Par Aide products: durability, great appearance and impeccable quality. Your choices include the brightest white plastic cup in the industry, the traditional machined aluminum cup, and the patented Ever-White Cup, the one you've heard about with replaceable sleeves.

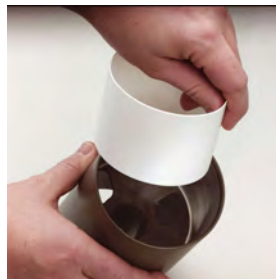

PAR AIDE EVER-WHITE CUP PA935

The patented Ever-White™ Cup has revolutionised the category by teaming an aluminum outside with a bright white plastic sleeve.

- No paint to chip, eliminating the need for stripping, sanding and painting.
- Easily replaceable sleeve stays tight in the cup during play.
- Resonates with the classic aluminum sound when the ball drops in.

Patented aluminum cup complete with plastic sleeve

- Meets all USGA regulations.
- Size: 15 x 10,8 cm.
- Weight: 0,9 kg.
- Packed: 9 per carton.

PAR AIDE EVER-WHITE CUP REPLACEMENT SLEEVES PA935-1

- Case of 18.

PAR AIDE CUSTOM DECAL FOR EVER-WHITE SLEEVE PA520-1

- Customize your hole cup.
- We offer you the option of personalizing your hole cup.
- Because it is the sleeve that is personalized, it can be easily replaced, for example for a sponsored tournament.

- PUTTING CUPS -

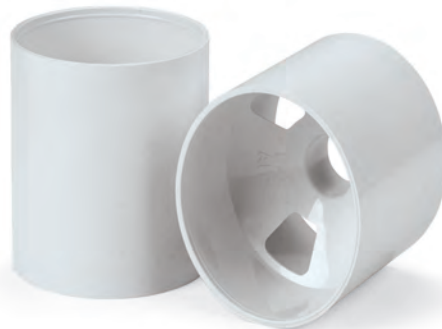

PAR AIDE PLASTIC CUPS PA920

- Durable bright white Cynolac® plastic cups featuring minimum taper for a snug fit, both on the course and on the practice green.
- Size: 15 x 10,8 cm.
- Weight: 0,23 kg.
- Packed: 9 per carton.

PAR AIDE PRACTICE GREEN PLASTIC CUPS PA940

- Durable bright Cynolac® plastic cups featuring minimum taper for a snug fit.
- Size: 10 x 10,8 cm.
- Weight: 0,23 kg.
- Packed: 9 per carton.

PAR AIDE ALUMINUM CUPS PA930

- The classic model, it's die cast oversize, then machined down to precision dimensions to minimise "wobble" in the hole.
- Surfaces anodised and dichromated for ultimate corrosion protection.
- The cup's vertical surfaces are powder-coated bright white. The bottom of the cup is not powder-coated, so there's no paint to chip.
- Size: 15 x 10,8 cm.
- Weight: 0,9 kg.
- Packed: 9 per carton.

- PUTTING CUPS -

ST2000™ NON-STICK SYSTEM

The innovative ST2000™ design allows soil to pass down the sides and through the cup. This keeps the cup's socket dirt free and eliminates the ferrule from sticking. Contact points hold the flagstick firmly in place. A dirty ferrule just can not stick in the ST2000™.

PLASTIC ST2000™ SG18222

- Brilliant white.
- High strength plastic cups.
- Molded with polymers that resist chemicals provide a brilliant, lasting finish.
- Meets all USGA regulations.
- Size: 15 x 10,8 cm.
- Packed 9 per carton.

ALUMINUM ST2000™ SG18333

- Brilliant white finish.
- Creates a distinctive sound when ball drops.
- Bonderite coated aluminum cups.
- The most chip-resistant coating around.
- Meets all USGA regulations.
- Size: 15 x 10,8 cm.
- Packed 9 per carton.

HYBRID ST2000™ SG18444

- The popular ST2000 Smart-Fit Cup has a third configuration.
- A "hybrid", with an aluminum base and plastic molded walls, combines the best of aluminum and plastic ST2000 models.
- The aluminum base gives maximum strength as the notched ferrule fits perfectly into place, eliminating twisting, sticking and sinking.
- Plastic molded cup walls prevent chipping and provide a long-lasting finish.
- An aluminum bottom allows for the "traditional sound" of a golf ball hitting the bottom of the cup.
- Meets all USGA regulations.
- Size: 15 x 10,8 cm.
- Packed 9 per carton.

- PUTTING CUPS -

RIJI CUP SG18200

- Brilliant white.
- Made of rugged engineered grade polymers for resistance to chemicals.
- Tapered sides allow easy removal from the hole.
- Meets all USGA regulations.
- Size: 15 x 10,8 cm.
- Packed 9 per carton.

ALUMINUM CUP SG18303

- Easy to set and fit.
- Constructed of high grade aluminum.
- Stark white powder coated finish for better visibility.
- Corrosion resistant.
- Virtually unbreakable.
- Size: 15 x 10,8 cm.
- Packed 9 per carton.

PRACTICE GREEN CUP SG18100

- Constructed of molded plastic.
- Stronger webs for eliminating warping and assuring a consistently round, easy setting cup.
- Precise inside tolerance holds the practice green marker securely in place.
- Size: 10 x 10,8 cm.
- Packed 9 per carton.

ALUMINUM PRACTICE GREEN CUP SG18150

- Aluminum with the most chip resistance coating around.
- Beveled bottom edge design makes them much easier to insert and remove.
- Size: 10 x 10,8 cm.
- Packed 9 per carton.

ON THE COURSE

- EVENT CUPS & SURE PUTTS -

PAR AIDE SPECIAL EVENT & WINTER CUP

PA927 - 38,1 CM EVENT CUP

Made of durable white plastic to stand up to the elements, it provides an incredibly inviting target for youth and beginning golfers.

PA925 - 20,1 CM EVENT CUP

Made of durable white plastic to stand up to the elements, it is a great way to grow the game by giving beginners and easier target. Its durability makes it the cup to choose for "Big cup" and junior events.

SURE PUTT PRACTICE GREEN SYSTEM

PA10710 - COMPLETE SURE PUTT PRACTICE GREEN SYSTEM

PA10702 - REPLACEMENT PUTTING CUP ONLY

Putting to the smaller cup, 8 cm diameter compared to a regulation cup (10,8 cm), dramatically helps focus the golfer's aim and trains them to make a more accurate putting stroke.

The Sure Putt Practice Green System is a complete system that is widely regarded as the finest putting aid for any level of golfer. Offered at a tremendous value, it includes:

- Hole cutter.
- 3 Metal Putting cups 8 x 9 cm.
- Cup puller.
- A sign to explain how the system works.

SPECIAL EVENT & WINTER CUP

SG18600 - STEEL CUP Ø 15,2 CM AND 15 CM HIGH

SG18710 - STEEL CUP Ø 20,2 CM AND 15 CM HIGH

SG18775 - PLASTIC CUP Ø 20,2 CM AND 8 CM HIGH

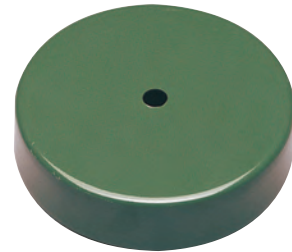

- Powder-coated steel cup in 15,2 cm and 20,2 cm sizes.
- Plastic winter cup available in 20,2 cm.
- Fits standard-sized flagsticks.
- Great addition for "big hole" events.
- Height in 2 sizes: 15 cm and 8 cm

- PUTTING CUPS ACCESSORIES -

CUP COVER

SG18500	-	Ø 10,8 CM CUP COVER
SG18650	-	Ø 15,2 CM CUP COVER
SG18750	-	Ø 20,3 CM CUP COVER

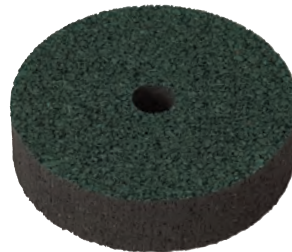

- Rotate cup covers instead of cups during low play seasons.
- Keeps hole free of top dressing material and debris.
- Fits any regulation cup size.
- Fits flush with top of green.
- Available in 3 sizes.
- 10,8 cm cover is power coated steel.
- 15,2 cm and 20,3 cm covers are power coated aluminum.
- Depth: 2,5 cm.

RECYCLED RUBBER CUP COVER

CA29455	-	Ø 10,8 CM CUP COVER
CA29456	-	Ø 15,2 CM CUP COVER
CA29457	-	Ø 20,3 CM CUP COVER

- Environmentally friendly cup cover.
- Made from recycled tires.
- Fits any regulation size cup.
- Durable, yet won't damage mower wheels if nicked.
- Available in 3 sizes.
- Depth: 2,5 cm.

RESIN CUP COVER

PCA559

- Resin hole cup cover with synthetic grass.
- Fits 10,8 cm cup.

CUP PLUGS

PA1070	-	REGULATION CUP SIZE, PACK OF 9 PCS
PA1071	-	PRACTICE CUP SIZE, PACK OF 9 PCS

- Made from durable, lightweight, weather-resistant foam material.
- Used when aerating greens to protect the integrity of the hole.
- Used when topdressing greens to keep sand from filling up cup hole.
- Can be left in holes during winter months.
- Aeration tines able to penetrate plug without pulling it out of the hole.
- Can be used 2 – 3 times.
- Sold per 9 pieces.

- BALL RETRIEVER & EDGE SAVER -

PATISSON EZ-LIFTER

CA29461	-	BLACK
CA29463	-	FOAM WEDGE
CA29462	-	HOOK

- Easy to use lifter to retrieve balls from cup.
- Slides over all regular Flagsticks (non-tapered).
- Standard with black base, white pipe and black handle.

GOLF BALL TENDER **CA29451**

- The Golf Ball Tender prevents cup and green damage by letting golfers lift the flagstick to retrieve the ball.
- Solves issues from USGA Rule 13.2a(2), reducing frayed holes and speeding up play.
- Easy to install, protects the green, and comes in custom colours.

STANDARD
GOLF COMPANY

STANDARD GOLF CUP SAVER BALL RETRIEVER **SG26550**

- Remove golf balls without damaging the cup.
- Retriever connects to the bottom of the flagstick with a "snap in place" mechanism.
- Lift flagstick up and golf balls come up with it.
- Made from a super light, durable polymer.

PAR AIDE THE EDGE SAVER **PA1725**

- The Edge-Saver is a simple device that removes golf balls from the cup without damaging the hole.
- It fits onto any Par Aide flagstick and aligns perfectly with the grooves of the ferrule.
- The Edge-Saver can move freely up and down the flagstick, reducing damage when handling the flagstick.
- Sold in packs of 10.
- It is only compatible with Par Aide flagsticks; for other flagsticks, use the Golf Ball Tender.

- CLOCKS -

ATOMIC CLOCK 'INKA'

This outdoor clock features a galvanized steel case with a durable 3-layer black lacquered finish, offering both style and long-lasting protection. The clock face is available with either Roman or Arabic numerals, and its precise clock-work ensures accurate timekeeping at all times. Equipped with a radio transponder, the clock automatically sets the time and adjusts itself for daylight saving, effortlessly adapting to the correct time zone.

The clock is mounted on a sleek stainless steel frame, with an optional bracket available for sponsor signage. Various bracket and frame options can be customized to meet specific needs. Standing at 260 cm high and 81 cm wide, the frame can also hold a 60 x 25 cm sponsor sign beneath the clock. Powered by a lithium battery, this clock combines both functionality and elegance for any outdoor setting.

MX38111 - **CLOCK 'INKA'**
MX38112 - **STAINLESS STEEL MOUNTING FRAME**

ON THE COURSE

CLOCK KIT PA3690

- Includes outdoor clock and mounting kit.
- Pre-drilled holes in the bracket for easy mounting on any Par Aide recycled plastic unit or other locations.
- Diameter: Ø 39.5 cm.

RECYCLED PLASTIC BENCH

These benches, made from durable cradle-to-cradle recycled plastic, offer both strength and sustainability. Reinforced with stainless steel, they are highly impact-resistant, ensuring longevity in various environments. With a width of 180 cm, the benches weigh 83 kg with a backrest and 50 kg without. The height is 77 cm with the backrest and 45 cm without, making them versatile and comfortable seating options for outdoor use. Available in two different qualities: black premium recycled plastic and brown basic recycled plastic.

PATTISSOON BENCH PREMIUM BLACK

- BENCHES -

TEAK BENCH

The traditional design and classical looks of our range means the products we offer are not just for "on the course" but they also look at home around the clubhouse terrace.

- All benches are flat packed (for easy assembly).
- Made of top quality teak wood.
- Teak harvested along the international regulations regarding conserving the forrest by replanting trees.
- Handmade to get that original traditional look.

ON THE COURSE

GREENPOINT

1

1-Sided Signs

Our durable, single-sided signs are crafted from recycled plastic for sustainability and longevity. They feature engraved text, mounted on 13 cm stainless steel screw-in stakes for stability. The laminated 4 + 12 + 4 mm design ensures excellent resistance to fading, even under intense sunlight and harsh weather.

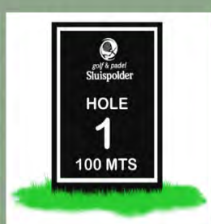

2

2-Sided Signs

Our 2-sided signs, made from eco-friendly recycled plastic, feature double-sided engraved text for visibility from multiple angles. Mounted on 13 cm stainless steel screw-in stakes, they offer secure placement and long-term fade resistance thanks to their durable laminated 4 + 12 + 4 mm design.

3

Junior Tee Sign

Our Junior Tee Signs offer the flexibility of being machined on both sides, ensuring maximum visibility and clarity on the golf course. Crafted from recycled plastic, they not only help promote sustainability but also deliver long-lasting performance in all weather conditions.

4

Senior Tee Sign (Includes 2 Poles)

The Senior Tee Sign, engravable on both sides for visibility from multiple directions, features two sturdy poles for secure mounting. Durable and practical, it is ideal for marking senior tee-off points, enhancing the player experience.

5

Recycled Plastic Post

This eco-friendly signpost, made from recycled materials, offers a sustainable solution for golf course signage. Customizable in size and color, it combines practicality with a green footprint, effectively guiding golfers while complementing your course's aesthetics.

6

Pitchfork XL sign

The Pitchfork XL sign, measuring 80 x 32 cm, promotes proper divot maintenance on the greens. It comes in two versions: the PS31250 with a flat design and the PS31250-1 with a dome-shaped top for added versatility.

7

Range Sign

The Range Sign is a customizable, one-sided sign for golf ranges, crafted from durable, eco-friendly materials. Available in custom sizes and colors, it provides a practical and stylish solution for displaying instructions or marking specific areas.

Recycled plastic & customizable

All of our signs are made from recycled plastic and are fully customizable, allowing you to select the size, color, text, and logo. This ensures each sign aligns perfectly with the branding and style of your golf course, whether you want a bold or subtle design.

DU36101	-	BUNKER STAMP SMALL (0,28 M2)
DU36102	-	BUNKER STAMP MEDIUM (0,55 M2)

- Impress your golfers by displaying a message or logo in the bunker.
- Rubber mould easily gets placed in the bunker and leaves a perfect image by only stepping on it.
- Can be used year after year.
- Price based on the size of the stamp.

BUNKER DEBRIS SIEVE

SG29335	-	WITH 1,30 CM OPENINGS
SG29330	-	WITH 0,64 CM OPENINGS

Want your bunkers to look better and play better? Quickly and easily clear rocks, leaves, twigs and other debris from bunkers using the Bunker Debris Sieve. Simply use it like a rake by dragging it trough your bunkers.

- Sand sifts through the openings leaving debris trapped in the basket.
- Head size: 48 cm.
- Wooden 183 cm handle.
- Set of two pieces.

BUNKERLAWN BUNKER FACE REINFORCEMENT RK7C301

BUNKERLAWN is the promised revolution preventing washing out of bunker sand in bunker faces. It saves a lot of labour, because it holds the bunker sand well in place.

An additional advantage of using BUNKERLAWN is that the sand will remain separated from the soil beneath.

Technical specifications:

- Pile height: 40 mm \pm 5%.
- Pile material: PP curled.
- Roll size: \pm 2 x 25 m.
- Roll weight: 39 kg.
- Minimum order quantity: 10 m².

THE ACCUFORM® ACE II

The Accuform® Ace, the rake that started the revolution, is an ultra-lightweight, patented tool designed to deliver exceptional performance. It features short-tooth tines for efficient raking on one side and a smooth surface on the other for leveling, ensuring perfect results in the bunker.

The one-piece head is made from impact-resistant, high-density polyethylene, providing durability and longevity. Available in both 43 cm and 64 cm widths, this rake has become the most recognized bunker tool in the world, favored by top superintendents worldwide for its reliability and effectiveness. Both rakes weigh 0.9 kg.

PAR AIDE'S DURABLE AND VERSATILE HANDLE OPTIONS FOR GOLF COURSE MAINTENANCE

Par Aide offers a complete range of replacement handles, grips, and decals with rake placement instructions. The Fibreglass Honeycomb Handle features a honeycomb core for increased strength while maintaining a lightweight, hollow design. It also includes improved UV protection to extend its lifespan. For added safety, the ProTect Handle is coated with thermoplastic to significantly reduce the risk of fibreglass splinters. If you're looking for a non-fibreglass option, the powder-coated aluminum handle is a great choice—strong, lightweight, and now available in brown or green.

PREMIER LINE MARKER PAINT

P807090W	-	PREMIER LINE WHITE
P807090Y	-	PREMIER LINE YELLOW
P807090R	-	PREMIER LINE RED
P807090B	-	PREMIER LINE BLUE
P807090O	-	PREMIER LINE ORANGE

The Premier Line marker paint has replaced the Easyline paint.

- Environmentally friendly paint (non CFC).
- 750 ml per can.
- Carton: 6 cans - price per can.

MARKING APPLICATORS

P807092	-	TWO WHEEL APPLICATOR
P807069	-	FOUR WHEEL APPLICATOR
P807070	-	HAND APPLICATOR
P807073	-	HANDLE APPLICATOR

- Easy paint application with 2 wheel, 3 wheel or hand marking applicators.

PATTISSON PRO HAND APPLICATOR

P807071	-	HAND APPLICATOR
P807072	-	LONG HANDLE APPLICATOR

- Industrial quality paint handgun.
- Slides to size to hold Pattisson Premierline paint.
- Handy trigger to operate the nozzle.

- MARKING AND PAINT APPLICATORS -

MARKING PAINT

PA12410	-	WHITE
PA12411	-	RED
PA12412	-	YELLOW
PA12413	-	BLUE
PA12414	-	GREEN
PA12415	-	ORANGE

- Water based paint: reduces clogging and saves your from burning.
- Very high pigment concentration: vibrant turf marking.
- High quality resins offer a more consistent and long-lasting colour.
- Environmentally friendly.
- 500 ml per can.
- Sold in box of 12 cans - price per box.

LONG HANDLE MARKER PAINT APPLICATOR

PA12401

- Apply paint to your turf surfaces easily and generously!
- The paint applicator is appropriate for longer, even, more continuous marking.
- Lightweight and easy to maneuver.
- Approximately 89 cm long.

DOUBLE BARREL PAINT APPLICATOR

PA12403

- Paint bolder, more noticeable lines around your hazards and out of bounds.
- Angles the paint cans slightly to focus the spray for highly visible lines.
- A great tool when preparing for tournaments.

- HOLE CUTTERS -

**BMS RAILMASTER HOLE CUTTER
BM50040**

- Uses a guided rail system for perfectly cut holes and features blades lasting up to four times longer than competitors.
- Its solid one-piece frame with extra bracing ensures precision and reduces flexing.
- Adjustable depth stop allows cuts from 6 inch to 8 inch with a perfect 4.25 inch diameter hole.

**BMS HOLEMASTER HOLE CUTTER
BM50030**

- It ensures a consistent 4.25 inch hole diameter, meeting R&A and USGA specifications.
- Comes with heavy-duty blades for durability and precision.

**BMS TURFMASTER HOLE CUTTER
BM50010**

- It is compact, lightweight, and easy to use.
- Comes with standard cutting blades.

- HOLE CUTTERS -

iPro Golf Hole Cutter

The new iPRO by BMS is lighter, easier to use, and works on both USGA and Push Up Clay Greens. With ergonomic, anti-vibration grips and a smooth, modified blade, it reduces strain and ensures precise cutting without compacting the root zone. The auto-locking handle and stronger ratchet mechanism reduce back strain by 50%, while optional features like the depth stop gauge and docking station enhance performance and protect the blades.

- HOLE CUTTERS -

HIO HOLE CUTTER

PA1003-1	-	WITH INSIDE SHARPENED BLADE
PA1003-2	-	WITH OUTSIDE SHARPENED BLADE

REPLACEMENT BLADE

PA1009-01	-	INSIDE SHARPENED BLADE
PA1009-02	-	OUTSIDE SHARPENED BLADE

- Perfectly round holes with clean edges.
- Easy on arms and shoulders - no twisting required.
- Achieve uniform hole depth.
- Powerful action works great on clay-bases "push up" greens.
- Saves time.

1. Place HIO Hole Cutter in desired cup location.

2. Remove pin. Lift handle and hammer actions drives cutter into the ground.

3. HIO Hole Cutter cuts holes with one plug, every time.

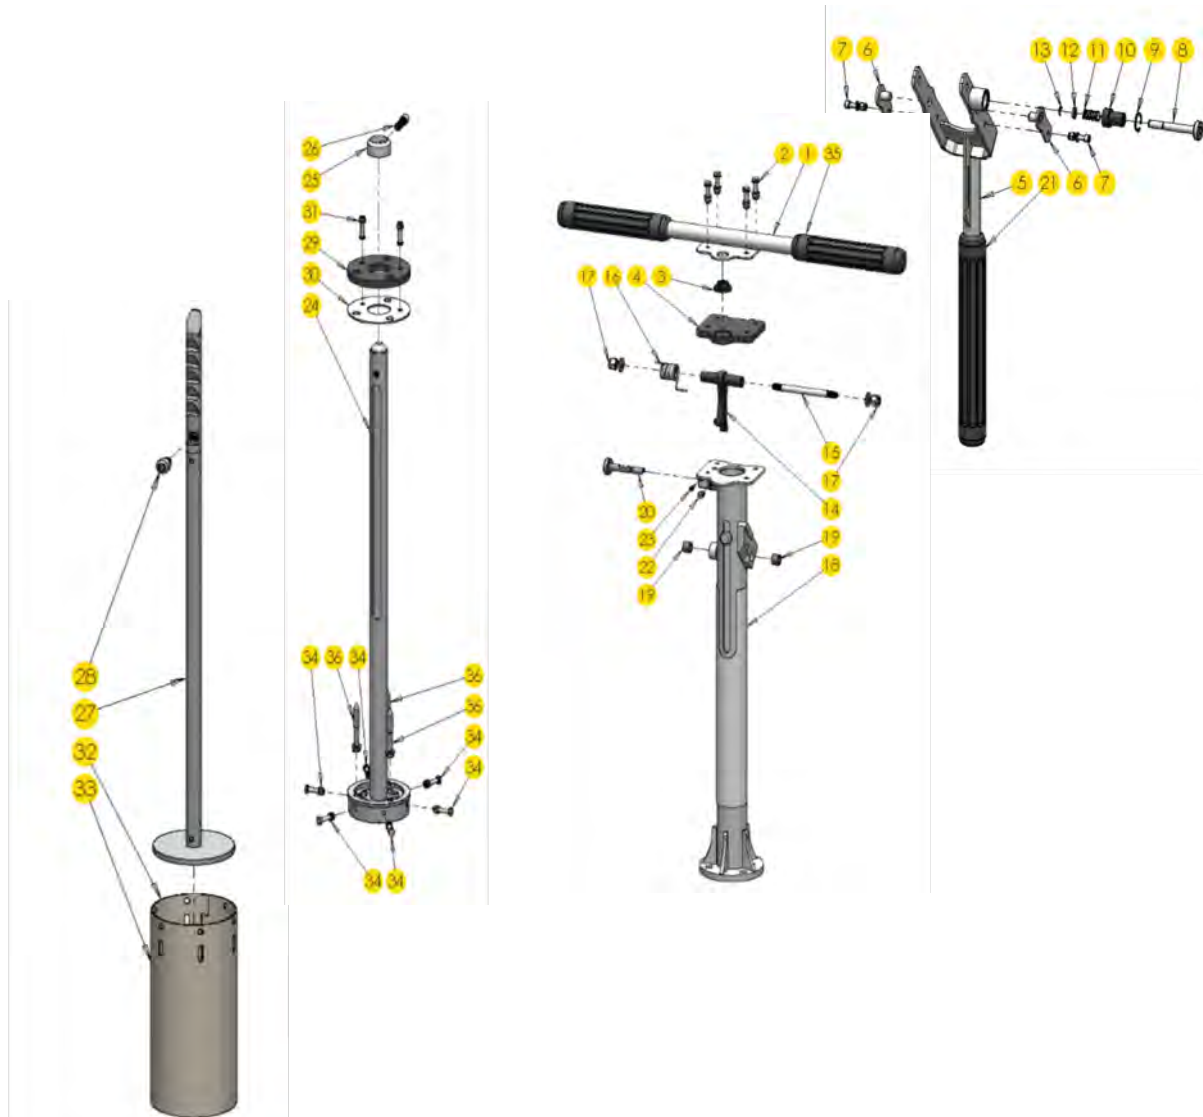

4. HIO Hole Cutter leaves a perfectly round clean hole.

HIO BUBBLE LEVEL PA1028

This optional item for the HIO Hole Cutter assures a straight cup every time. It fits all existing HIO hole cutters, simply attaching through the two bolts that hold the handle in place.

**CUP SETTER ALUMINUM
BM51170**

The Aluminum Cup Setting Tool is used to set cups to the correct 2,5 cm depth below the soil's surface accurately time after time. It can also help install plastic stabiliser rings.

**CUP SETTER PLASTIC
SG30100**

- Automatically set the cup 2,5 cm below the surface of the green.
- Set it, step on it and lift it out.
- Flattens and smoothes crowning caused by hole cutters.
- Minimizes damage to the rims of aluminum cups.
- Weight: 0,2 kg.

**CUP AUGER
MT655661**

- The best way to achieve consistent cup depth on every green.
- Do it in 3 steps;
 1. Cut the new hole with any cup cutter.
 2. Insert the Cup Auger and turn until collar rests on turf.
 3. Remove Cup Auger and reuse removed soil.

- HOLE CUTTING ACCESSORIES -

CUP PULLER PA1032

- This design features longer rod and rubber handle for increased leverage and comfort.
- Plated steel construction.
- Three-hook design pulls cup out of hole straight and with ease, with no damage to turf.
- Weight: 0,45 kg.

CUP HOOK SG33200

- Better and easy way to remove any style cup.
- Size: 29 cm long.
- Weight: 0,16 kg.

CUP SAVER PA1073

The Cup-Saver is the tool to help keep your cups looking great longer.

- Made of durable, molded plastic.
- The cone shaped design features an easy-to-grab stem.
- Perfect for use when painting the hole.
- Above the cup or when topdressing or applying chemicals.
- Sold per set of 5.

Before topdressing.

Painting cups.

Applying chemicals.

- HOLE CUTTING ACCESSORIES -

HOLE CUTTER CARRIER PA1011

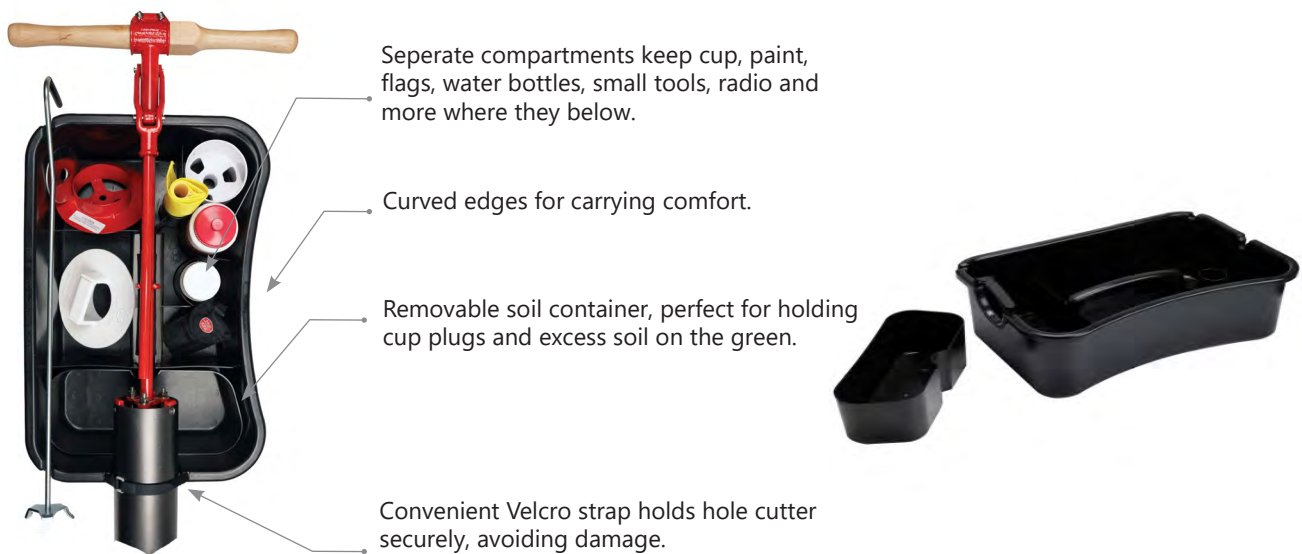

Keep your hole cutter within easy reach while saving space in your utility vehicle. It mounts in the bed of any maintenance vehicle, allowing upright or angled transport of any hole cutter. The carrier also protects the blade and body, while keeping the vehicle bed more organized. Durable steel construction with mounting hardware included.

EVERY BRAND HOLE CUTTER FITS ON THIS CARRIER!

CREW CADDY PA1038

- The Crew caddy conveniently organizes your greens tools, keeping everything within reach.
- Saves time by organizing greens tools and allowing you to carry all your tools in one hand.
- Ergonomically shaped.
- Smooth bottom won't damage or mark green.
- Features individual compartments for organizing tools, includes hole cutter straps, water bottle, removable soil container.

- HOLE CUTTING ACCESSORIES -

RUBBER MALLET **DU37031**

HOLE TRIMMING SCISSORS **BM51150**

HOLE CUTTER BOARD **P606614**

- Marine-ply hole cutter board (18 mm).

HOLE CUTTER GUIDE **PA1030**

- Made from highly durable ABS plastic.
- Place on green when cutting cup hole to eliminate heel marks, minimize raised hole edges and encourage a straight cut.
- Weight: 3,6 kg.

DEPTH GAUGE **PA1034**

- Unique single set screw design allows for easy locating, straightening and tightening.
- Cast Aluminum and anodised black, fits all hole cutters.
- Weight: 0,45 kg.

SHARPENER **SG28400**

- Keep shells sharp for easier cuts and precision-cut hole edges.
- Works with scalloped or straight shells, inside or outside.

- HOLE PAINT -

360° HOLE PAINTER

PA910 - **360° DEGREE HOLE PAINT, BOX OF 12.**
PA911 - **360° DEGREE HOLE PAINTER TOOL**

PA911-1 - **ALUMINUM REPLACEMENT SHIELDS (SET OF 3)**
PA911-2 - **PLASTIC REPLACEMENT SHIELDS (SET OF 10)**

The 360° Hole Painter is an innovative tool that paints the top 2,5 cm. above the cup bright white using a unique nozzle that sprays 360° degrees all at once.

- Simple and easy to use.
- No rotating of the can is necessary.
- No "shadowing" of the paint.
- No dripping on the cup or overspray on the green.
- Provides a consistent, professional finish every time.
- Greatly increases visibility of the cup.
- Patent pending.

1. Place cup shield over regulation-sized cup.

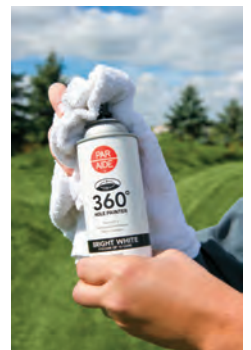

2. Place painting tool over hole.

3. Insert spray can into center of painting tool and simply push down on the can 3-4 times. No rotating is necessary.

4. The 360° Hole Painter leaves a professional, consistent finish every time.

5. Place rag over nozzle and press to clear excess paint from nozzle after each hole is painted.

- HOLE PAINT & WHITNER -

HOLE PAINTING STENCIL BM51124

- New and improved Golf Hole Paint Application Stencil – prevents overspray.
- Provides visibility for precise paint application based on hole surface conditions.
- Golf Hole Marker Paint sold separately.

STIMP METER

DU37001

In 1935 Edward Stimpson, the Massachusetts amateur champion, developed what is now known as the stimp meter.

Average length of roll (in feet)		
Green Speed	Normal Play	Tournament Play
Fast	8.5	10.5
Medium Fast	7.5	9.5
Medium	6.5	8.5
Medium Slow	5.5	7.5
Slow	4.5	6.5

STIMPMETER

BM54500

- The official greens speed measuring tool.

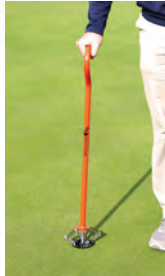

- BALL MARK REPAIR TOOLS -

ACCUFORM ACCUFIX PA1092

This affordable, light, easy-handling tool is designed to effectively repair ball marks in one motion. The rounded handle and rubber grip are comfortable to use with one hand. Simple push down over the ball and the spring-loaded head with stainless steel teeth will lift the turf back into a perfect playing surface.

Features include:

- 91 cm powder coated aluminum handle.
- Stainless steel teeth.
- Spring loaded head.
- Ergonomic handle.
- Rubber grip.

BMS PITCHMARK REPAIR TOOL BM35200

- Tool for quick repair of ball marks and turf indentations.
- Ideal for golf greens, animal tracks, and damage like hoof prints.
- 5 stainless steel prongs lift turf back to level.
- Flat base ensures even surface.
- Maintenance-free and effective for thousands of uses.

GREENKEEPER BALL MARK REPAIR TOOL SG27200

- Time-saving, labor-saving tool for quick repairs on greens.
- 91 cm handle makes repairs fast and easy.
- Meticulously lifts dirt and grass into place in one motion.
- Weight: 1,8 kg.

- BALL MARK REPAIR TOOLS -

- To cut holes for 38,1 cm special event hole cups.
- The cutter has a piston for removing the very large plug.
- The blade is heat-treated steel to produce clean cuts every time.
- Cuts 9,5 cm deep.

20,2 CM EVENT HOLE CUTTER AND ADAPTER PA1005 - HOLE CUTTER - COMPLETE PA1012 - ADAPTER

- To cut holes for 20,2 cm special event hole cups.
- Choose the complete hole cutter or the adapter for use with an original Par Aide hole cutter.
- Adapter: just remove the regulation blade hole cutter piston and attach the adapter.
- This tool will also allow you to repair large patches of turf.
- Adapter includes all necessary hardware and 20,2 cm hole cutter piston.
- Cuts 8,9 cm deep.

PRO II HOLE CUTTER

SG28775 - 15,2 CM EVENT HOLE CUTTER - COMPLETE SG28785 - 20,2 CM EVENT HOLE CUTTER - COMPLETE

- Simple, economical and ready to cut.
- Hot-rolled tubing. Carbon steel shaft.
- Adjustable depth collar.
- Foot ejector.
- Available in 2 sizes: 15,2 cm and 20,2 cm.

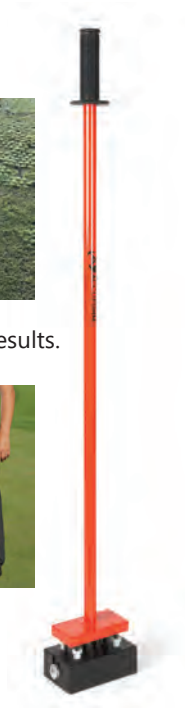

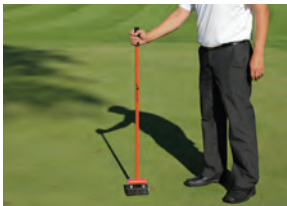

- REPAIR TOOLS -

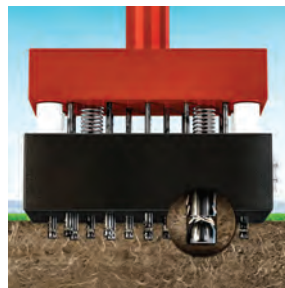

ACCUFORM® ACCUSEED PA13270

Accuseed provides quick results.

- The perfect spot seeding tool.
- The specially designed stainless steel spring loaded spikes puncture the turf 0,8 cm deep while dropping bent grass seed precisely into the holes, allowing for ideal seed to soil contact.
- Grass seed is easily filled into the black housing and is only released when the spring-loaded head compresses.
- There is minimal impact to the surface, due to the flat surface of the seed housing, which causes little disruption to play.

Seed filled spikes extended.

Spikes retracted, leaving seed in holes.

Divot mark before treatment.

Divot mark after treatment.

QUICK-FILL BALL MARK ERASER MT550650

- Improve the appearance of greens damaged from ball marks.
- Erase ball marks instantly with a dash of green sand.
- Innovative design means one touch dispenses perfect amount of sand.
- No bending over, no getting down on your knees and no jamming.
- Dispensing mechanism designed for smooth, non-seizing operation.

GREENS BULLIT MT550655

- Lightweight yet durable stainless construction.
- Adjustable collar so you can reach your desired depth.
- Use with Quick-Fill for best results.

- REPAIR TOOLS -

TURF DOCTOR

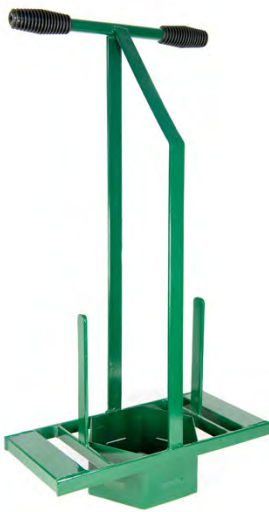

SG29200	-	TURF DOCTOR 23 CM
SG29202	-	TURF DOCTOR 15 CM

- Invisible sod replacement.
- Finish patch areas without leaving holes or gaps (i.e. irrigation repair).
- Razor-sharp blades (4) secure 23 cm square-cut, wedge-shaped sod blocks that fit and butt perfectly.

PATTISSON HEXAGON TURF DOCTOR P605700

- Sturdy powder-coated hexagon plugger.
- Cuts 6 sided wedges of 18 cm (W) x 10 cm (D).
- Wedges easily stack in 'magazine'.

THE ORIGINAL HEX-PLUGGER TURF REPAIR TOOL

MT502107	-	HEX-PLUGGER 17,8 CM MODEL, CUTS 5 CM DEEP PLUG
MT502108	-	HEX-PLUGGER 17,8 CM MODEL, CUTS 7,6 CM DEEP PLUG
MT502105	-	HEX-PLUGGER 12,7 CM MODEL, CUTS 5 CM DEEP PLUG
MT502110	-	HEX-PLUGGER 12,7 X 20,3 CM MODEL, CUTS 7,6 CM DEEP PLUG

- The patented Miltona original 12,7 cm Hex-Plugger has revolutionized turf repair.
- The hexagon shape causes the plugs in repaired area to interlock and remain in place on sloped areas.
- While additional sizes are now offered and the 17,8 cm has become our most popular model, commitment to quality by utilizing solid steel construction for the frames and cutting blades.
- All models include a trowel to maintain uniform plug depth.

Repaired with the Hex-Plugger.

Repair attempted with hole cutter or round turf plugger.

Trowel included for uniform plug depth.

- REPAIR TOOLS & TURFJECTOR -

PLUG STACKER

MT500101	-	PLUG STACKER, 3,8 CM
MT500102	-	PLUG STACKER, 5 CM
MT500103	-	PLUG STACKER, 7,6 CM

- Choose a plug diameter to meet your needs.
- The Plug Stacker repair tools cut and stack 3,8 cm, 5 cm or 7,6 cm diameter plugs 5 cm in dept.
- Perfect for repairing small dead spots and ball marks.
- The storage tube holds up to 12 plugs.
- When an application calls for re-establishing a turf species from plugs, the Plug Stacker is a "must-have" tool.
- Its rugged, professional grade construction outperforms other plugs cutting devices.

MT500101

MT500102

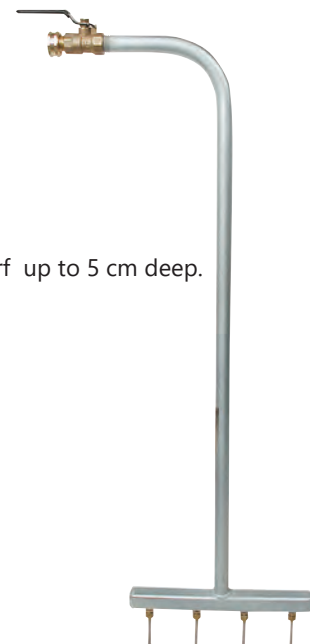

MT515003

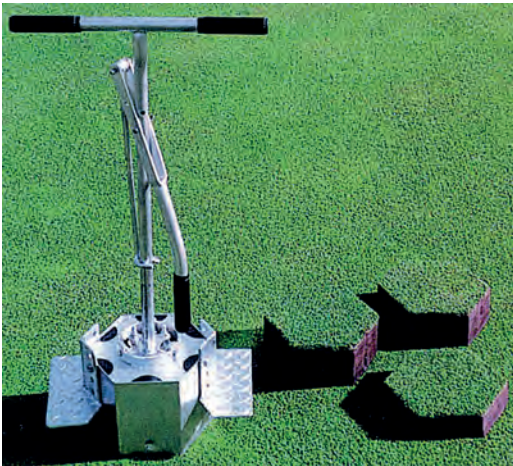

TURFJECTOR

MT525570	-	TURFJECTOR
MT525571	-	REPLACEMENT TINE

- Your solution to dry spots.
- Wet down localized dry spots injecting water, wetting agents and other liquids.
- The Turfjector features 4 stainless steel injector tines that can penetrate the hardest turf up to 5 cm deep.
- It includes a ball valve to control water flow and connects to a 1,9 cm hose.

- REPAIR TOOLS & SOIL TESTERS -

ADJUSTABLE DEPTH HEX-PLUGGERS

MT502117 - **HEX PLUGGER, 17,8 CM**
MT502119 - **HEX PLUGGER, 22,9 CM**

HEX-PLUGGER – CUTTING HEAD ONLY

Both sizes mount to Miltona or Par Aide Cup Cutter handles.

MT502127 - **HEX PLUGGER, 17,8 CM HEAD ONLY**
MT502129 - **HEX PLUGGER, 22,9 CM HEAD ONLY**

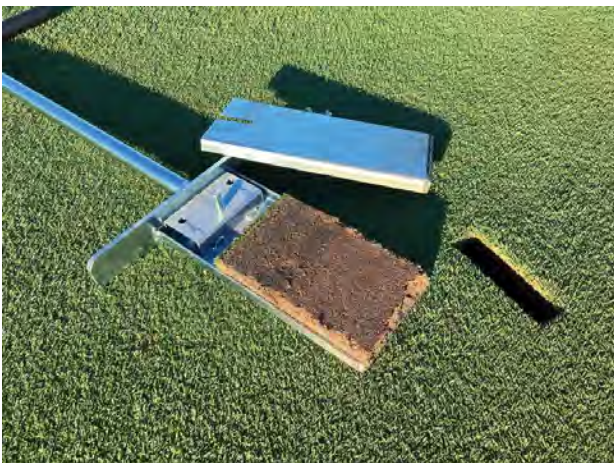

- These Hex-Pluggers can be adjusted to cut plugs from 5 cm to 12,7 cm in depth.
- Available in either a 17,8 cm or 22,9 cm diameter model.
- Both models come complete with hex cutting head and PowerStoke handle.

SOIL PROBE

MT520515 - **SOIL SAMPLING PROBE**
MT520516 - **EXTRA PROBE TIP**

- Use this soil sampling probe to remove cores for soil testing, checking your thatch layer or turf growth.
- Takes up to a 38,1 cm sample and has a replaceable 1,9 cm cutting tip.

SOIL PROFILER

MT520520

- Study your greens' soil profile.
- This profiler will give you a great soil sample 2,5 cm thick by 10,1 cm wide and up to 17,8 cm deep.

- REPAIR TOOLS & SOIL TESTERS -

MILTONA'S SOD STRIPPER

- MT510220** - **SOD STRIPPER COMBO WITH 5 CM, 7,6 CM, 12,7 CM AND 17,8 CM BLADES**
MT510221 - **SOD STRIPPER SUPER COMBO WITH 4 BLADES PLUS 17,8 X 5 CM DEEP CUT BLADES**

- Miltona's Sod Stripper will come to the rescue after, a hydraulic leak or unfortunate vandalism. It is also perfect for use during irrigation upgrades.
- The 152,4 cm length helps the Sod Stripper easily cut out strips of the damaged area as well as matching replacement strips from your turf nursery.
- Depth of cut adjustable between 1,6 cm and 2,5 cm.
- Heavy duty steel construction with zinc plating ensure the durability of the tool.

THE BMS AERATION CORER COLLECTOR BM10200

- Durable aerating tool made of high-quality steel, widely used by professional greenkeepers and home gardeners.
- Features five replaceable hollow tines and a plastic container that automatically gathers soil cores.
- Aerating prevents waterlogging and promotes better water, nutrient, and air circulation, enhancing lawn health and resilience.
- Regular use improves water absorption, air exchange, and soil temperature while breaking down thatch.

ROTARY HAND SEED SLOTTOR BM35010

- Overseeding tool for fine turf areas.
- Rotary slotter prevents surface damage.
- Optimal slot depth (1/2" or 13mm) for fast germination.
- 121,9 cm handle, 25,4 cm working width.
- Black only.
- Essential for turf professionals.

- SAFETY NET & MEASURING TOOLS -

SAFETY NET PA1100

The 2 mtr x 1,8 mtr net provides ample protection for employees doing work in the line of fire. It's collapsable frame has Aluminum uprights with fibreglass upper and lower cross pieces and heavy duty "step-in" stakes that secure the uprights. The net is high-strength polypropylene with high-visibility safety yellow borders.

- Literally sets up in seconds.
- Weight: 9 kg.

GRASS HEIGHT MEASURING PRISM BM26070

- Tool for accurate mower cut checks.
- Stainless steel with 90° glass prism.
- Measures cut height, quality, and surface smoothness.
- Metric and imperial measurement lines.
- For golf greens, cricket pitches, and fine turf.
- Includes protective box.

UNDERHILL COURSE CADDIE TRAILER

UHC-TRL-075	-	19 MM
UHC-TRL-100	-	25 MM

Stop lifting heavy hose in and out of your utility vehicle. Our Course Caddie™ Trailer is perfectly designed in strength and function for professional turf managers. We thought out every detail from the high flow Hose Caddie Reel mounted securely to the trailer to the full size golf cart tires and hubs for a smooth and quiet ride.

- Strongest, Most Durable Hose Trailer on the Market
- Holds Over 125 Feet of 1" Hose or 150 Feet of 3/4" Hose
- New PowerFlow™ Reel Provides Highest Possible Flow Rate
- Includes a 10 ft UltraMax™ Blue Leader Hose
- Includes Convenient Quick Coupler Key Mount
- Connects to Any Flat Bar Hitch
- Full Size Golf Cart Tires & Hubs
- Replacement Parts Readily Available
- Optional High Quality Tool Box Fits Most Tools & Accessories & Includes Lockable Top
- Available in 2,5 cm or 1,9 cm hose versions.

UNDERHILL FIELD CADDIE HEAVY DUTY HOSE CART

UHC-HT-075	-	FIELD CADDIE
UHC-TRL-TOOL	-	ADD ON TOOL BOX

The Field Caddie™ is designed for the Sports Turf Professional. Maximum durability, no flat tires, great leverage to make it easy to bring a hose on and off a field with ease!

- Holds over 3 meter of 2,5 cm hose or 3,8 meter 1,9 cm of hose.
- Heavy Duty Hand Truck Frame Easily Maneuvers Hose on and Off the Field.
- Solid Rubber Wheels Never Go Flat and Heavy Duty Bearings to Ensure Durability.
- Quick Coupler Key Holder Keeps Quick Coupler Key Out of the Way and Accessible.
- Includes a 3,05 meter ultramax blue leader hose.
- Tool Box Available as Optional Add-On.
- Available in 2,5 cm or 1,9 cm hose versions.

- NOZZLES -

UNDERHILL PRECISION NOZZLE

Underhill® Precision™ nozzles deliver millions of soft, uniform droplets to provide rapid yet surprisingly gentle water application over a huge range of flow rates. From soft watering to powerful drenching, patented Precision nozzles are designed with ideal flow rates and droplet sizes to fully irrigate without disturbing turf, dirt, seeds, etc., providing a precise solution for every hand watering application.

UNDERHILL ULTRAMAX CYCLONE NOZZLE UHN5000-RED

CYCLONE:

Pre-game skins watering, heavy watering of large areas, ideal for hydroseeding >189 L/ min (50+ GPM).

UNDERHILL ULTRAMAX CLOUDBURST NOZZLE UHN4800-BLUE

CLOUDBURST

Dry spots, drenching and wetting agent application > 132 ltr/ min 35+ GPM.

UNDERHILL ULTRAMAX RAINBOW NOZZLE UHN1500-YELLOW

RAINBOW:

Greens, tees, seed beds, transplants, delicate landscaping 57 ltr / min (15 GPM).

UNDERHILL ULTRAMAX DRAINBLASTER NOZZLE

UDN-75 - **19 MM**

UBN-10 - **25 MM**

This unique hose-end, high pressure nozzle guides itself in cleaning out drains, to remove debris with ease. Special feature includes a wire attachment connector for using wire locator to determine drain route.

- NOZZLES -

UNDERHILL ULTRAMAX NOZZLE UNG550-DFSH-10

Step up to the most professional nozzle you can buy - MAGNUM™ UltraMax Firefighter quality for professionals in any field, these variable flow, multi-function nozzles are virtually indestructible and leak proof. The innovative TURBO SHIFT models provide two distinct GPM ranges. And the outstanding distribution patterns of all MAGNUM UltraMAX nozzles make them excel in high demand areas like greens/tees, infield conditioning and equipment and stadium washdowns.

Super High Flow Model: 34-104 GPM (129-394 L/min)

UNDERHILL ULTRAMAX TURBO NOZZLE UNG550-DFH-75 - 19 MM UNG550-DFH-10 - 25 MM

Dual variable flow: delivers light fog and low volume jet stream patterns before shifting to high volume jet stream and fan patterns.

High flow model: opens with 12-17 GPM (45-64 L/min) turbo shifts to 20-43 GPM (76-163 L/min).

UNDERHILL ULTRAMAX MAGNUM NOZZLE UNG450

Underhill Magnum contains no plastic internal parts to break, stick or wear out. The unique ratchet mechanism easily adjusts from gentle fan to powerful jet stream and prevents over-tightening damage. Precision-machined, incredibly smooth operation and outstanding distribution patterns make it ideal for high-demand areas like greens and tees. Magnum is also an excellent equipment wash-down nozzle.

UNDERHILL ULTRAMAX COOLPRO NOZZLE UHNC075

A hot summer day can be murder on your greens. Use too much water and you risk damage to the roots. CoolPro™ is the first nozzle specifically designed for the single purpose of lightly misting the turf canopy to cool without over watering. And its 25 foot fogging pattern gets the job done quickly.

- APPLICATORS -

UNDERHILL LIQUIDPRO APPLICATOR

UA-LPWA50K	-	GUN
UA-LPWA50K-E	-	GUN WITH COUP
UA-LPWAB-6	-	6 BOTTLES AND CARRIER

The LiquidePro applicator gun is made exclusively for applying liquid-based wetting agents or fertilizers with a consistent and uniform distribution of product.

- Patented Precision™ Cloudburst™ nozzle evenly distributes wetting agent insuring uniform coverage. Made of aircraft aluminum and stainless steel.
- Lightweight, durable nylon construction weighs only 3lbs., UV-protected and chemical resistant.
- High-density polybottle has full quart capacity with easy-to-read measurements in fluid ounces and milliliters.
- Needle Valve Metering Chamber-Engineered venturi siphon mixes proper amount of wetting agent into the water flow.
- Pistol grip design with textured handle provides sure grip surface and reduces operator fatigue.
- Adjustable metering dial offers 10 additive settings including "Water Only".
- Metering dial can be removed to prevent tampering with a predetermined setting.

UNDERHILL PELLETPRO APPLICATOR

UA-PPWA50K-E	-	WETTING AGENT APPL GUN
UA-PPQ-075	-	19MM FHT INLET-MHT OUT

Our heavy-duty surfactant applicator, high-flow valve and Precision™ Cloudburst™ nozzle combo comprises the finest wetting agent gun available. PelletPro™ accepts all wetting agent tablets and provides a high volume, yet soft spray for watering or applying surfactants to tight, hydrophobic soils."

- 35+ GPM to get the job done faster!
- Ultra Heavy-Duty construction: brass fittings, aircraft. Aluminum, stainless steel, precision engineered glass.
- Pellet rotation (1 RPS) evenly dissolves/applies tablets. In-line Applicator Option Connect directly to a water source (quick coupler, HoseTap, etc.) to get the benefits of PelletPro with less handheld weight.

- SPRINKLER TOOLS -

DOUBLE HEADER VALVE KEY TOOL UA-DH

The double header on/off key for Rainbird, Toro or John Deere/Signature irrigation heads conveniently mounted on a key ring.

- Never lose a flag key again.

EasyOUTTM 2in1

The Ultimate 2in1 Tool for Repairs & Modifications

Sprinkler Removal & Replace

It's as Easy as 1-2-3-4!

- No Digging
- No Damage to Turf
- Saves Time and Money

**SPECIAL ASSIST
TORQUE WRENCH**

TELESCOPING ROD

- minimizes dirt from entering fitting
- guides sprinkler body

EASY OUT 2 IN 1 UA-EO-SRT-RS

- Sprinkler removal tool.
- No digging.
- No damage to turf.
- Saves time and money.

- SPRINKLER TOOLS -

UNDERHILL SUPERKEY XL UA-SKTRB

Multi-Purpose tool for Toro and Rainbird Golf Sprinklers. The all in one tool for your golf sprinklers. Think of it as a Swiss army knife, a must have companion. Made of stainless steel and composite material, it effortlessly turns electric valve-in-heads on and off. Removes internal snap rings and preforms many other sprinkler maintenance chores.

Great for John Deere and Signature sprinklers to!

UNDERHILL EASY REACH KEY

UA-ERR - FOR RAINBIRD
UA-ERT - FOR TORO AND JOHN DEERE

Extra long and extra heavy duty metal key designed for easy on/off operation for Toro, Rain Bird and John Deere/ Signature electric valve-in-head golf sprinklers. Made of high grade metal, EasyReach offers years of effortless on / off operation.

VERSALID UVL-6

The VersaLid™ Universal Replacement Lid is designed to replace broken or missing lids for valve boxes efficiently. This product eliminates the need to identify the specific brand or even dig up the valve box to determine its type. It fits all round valve boxes with diameters ranging from 15.24 cm to 17.78 cm (6" to 7"), making it a convenient and universal solution.

SPLICE KIT UDBRY

The 3M Direct Bury Splice Kit is a reliable solution for protecting and connecting wires in outdoor or underground environments. Each kit comes with a wire connector and a waterproof gel case, making it ideal for use in applications that require long-lasting protection against moisture and the elements.

- TAPS AND ACCESSORIES -

UNDERHILL HOSETAP RAINBIRD & EAGLE

UHN-R125B	-	700
UHN-R150B	-	900

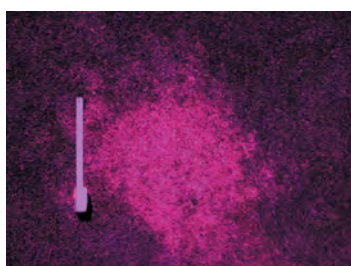

HoseTap gives you a hose connection anywhere you have a Toro or Rain Bird electric, valve-in-head sprinkler. A fast connection when quick-couplers or hose bibs are not available. Includes aircraft aluminum body (won't break or wear out like plastic) anodized with sprinkler manufacturer color, o-ring, riser, 1" brass swivel and 3/4" adapter.

UNDERHILL HOSETAP TORO

UHN-T100B	-	25 MM
UHN-T150B	-	38 MM

HoseTap gives you a hose connection anywhere you have a Toro or Rain Bird electric, valve-in-head sprinkler. A fast connection when quick-couplers or hose bibs are not available. Includes aircraft aluminum body (won't break or wear out like plastic) anodized with sprinkler manufacturer color, o-ring, riser, 1" brass swivel and 3/4" adapter.

UNDERHILL TURFSKY GLASSES UNG655-01

Dying vegetation absorbs and reflects sunlight differently than when it's healthy. The earliest signals occur at the outer limits of the human visual spectrum, and are rendered invisible compared to the predominant middle wavelengths. TurfSpy filters the light in the center so that fringe spectra, which show early plant stress, become visible.

- Shatterproof/polycarbonate stress detection lens.
- Wrap-around lens limits ambient light for optimal detection.
- Sports frame with adjustable ear piece.
- Lightweight case included.

UNDERHILL PRESSURE GAUGE UA-PHG-160K

Use this liquid-filled 11 bar (160 PSI) gauge with 76 cm (30") flex hose and solid brass Pitot tube, hose bib, or spray head adapter to measure water pressure at discharge points.

- WATER REMOVAL PUMPS -

UNDERHILL BIG GULP ULTRAMAX PLUS

Whether you need to remove water from sprinkles and valve boxes or other areas or devices, UltraMax Series pumps are the ideal tools for the job.

- High quality materials.
- Unique replacement plunger seal and O-ring wiper.
- Seal assemblies for extra long pump life.
- Super grip ergonomic pump handle.
- Super Smooth & durable pumping action.

BIG GULP ULTRAMAX PLUS

UA-G3672-CK - 180 CM OUTLET PUMP

- 992 gr/Stroke.
- 91 cm pump chamber.
- 91 or 180 cm outlet hose.

GULP ULTRAMAX PLUS

UA-G1236-C - 56 cm Outlet Pump

- 510 gr/stroke.
- 35,56 cm pump chamber.
- 45 cm outlet hose.

POWER GULP PROFESSIONAL WATER REMOVAL PUMP UA-PG-18V

- Interchangeable battery plates sold separately to work with major brand batteries (Milwaukee, DeWalt, Makita or Bosch).
- Discharge can be either Gulp tubing, 3/4 inch hose or 1 inch hose (adapters included).
- Industry leading MudGuard™ filters out debris in the dirtiest of water allowing clog free suction.
- The only pump that works well in dirty water.
- Battery lasts up to 60 minutes per charge, pumps 11 GPM.
